**TENDER NO. KPA/004/2025-26/MD - EXPRESSION OF INTEREST (EOI)
FOR THE PROVISION OF CARGO SCANNING EQUIPMENT AND

DEPOTS (ICDs)**

=====

The Authority hereby issues the following clarifications: -

No.	Request for Clarification	KPA Response
1.	Can KPA confirm what is meant, by 'Operations' in the below requirement from Part 3, ii, (b)? <i>'Demonstrable minimum 10 years in Installation, Maintenance and Operations of High Energy Scanners in PoEs for customs operations and security management.'</i> Does this mean that bidders must also show that they have provided <u>managed services</u> for High-Energy scanners, whereby they have not only installed and maintained scanners but also provided staff to operate the daily use of the X-ray scanners? If not, are managed services an option being considered or does this EOI pertain only to the potential sale, delivery, installation and ongoing service support of scanners (which will be operated by the KPA or other Kenya Govt Authority).	Yes, bidders must demonstrate / provide proof that they have provided managed services for High-Energy scanners through deployment of their staff to operate the scanners in addition to installation and maintenance of the scanners.
2.	Applicants shall submit their response to the EOI in English Language. Applicants shall qualify to the stage of Procurement by meeting all the requirements stated in item 3 of the EOI - (Eligibility and Necessary Qualifications).

All other conditions of the tender remain the same.

Yours faithfully,
