Should the clarification result in changes to the essential elements of the Tender Documents, the Procuring Entity shall amend the Tender Documents appropriately following the procedure under ITT 8.4.

## **10. Amendment of Tender Documents**

10.1 At any time prior to the deadline for submission of Tenders, the Procuring Entity may amend the Tendering document by issuing addenda.

10.2 Any addendum issued shall be part of the tendering document and shall be communicated in writing to all who have obtained the tendering document from the Procuring Entity in accordance with ITT 6.3. The Procuring Entity shall also promptly publish the addendum on the Procuring Entity's web page in accordance with ITT 8.4.

10.3 To give prospective Tenderers reasonable time in which to take an addendum into account in preparing their Tenders, the Procuring Entity shall extend, as necessary, the deadline for submission of Tenders, in accordance with ITT 24.2 below.

## **C. Preparation of Tenders**

### **11. Cost of Tendering**

11.1 The Tenderer shall bear all costs associated with the preparation and submission of its Tender, and the Procuring Entity shall not be responsible or liable for those costs, regardless of the conduct or outcome of the Tendering process.

### **12. Language of Tender**

12.1 The Tender as well as all correspondence and documents relating to the Tender exchanged by the Tenderer and the Procuring Entity shall be written in the English language. Supporting documents and printed literature that are part of the Tender may be in another language provided they are accompanied by an accurate translation of the relevant passages into the English language, in which case, for purposes of interpretation of the Tender, such translation shall govern.

### 13. Documents Comprising the Tender

#### 13.1 The Tender shall comprise the following:

- a. **Form of Tender** prepared in accordance with ITT 14;
- b. **Schedules:** priced Activity Schedule completed in accordance with ITT 14 and ITT 16;
- c. **Tender Security or Tender-Securing Declaration** in accordance with ITT 21.1;
- d. **Alternative Tender:** if permissible in accordance with ITT 15;
- e. **Authorization: written** confirmation authorizing the signatory of the Tender to commit the Tenderer, in accordance with ITT 22.3;
- f. **Qualifications:** documentary evidence in accordance with ITT 19 establishing the Tenderer's qualifications to perform the Contract if its Tender is accepted;
- g. **Tenderer's Eligibility:** documentary evidence in accordance with ITT 19 establishing the **Tenderer's** eligibility to Tender;
- h. **Conformity:** documentary evidence in accordance with ITT 18, that the Services conform to the tendering document; and

#### 13.2 The Tenderer shall chronologically serialize pages of all tender documents submitted.

#### 13.3 In addition to the requirements under ITT 13.1, Tenders submitted by a JV shall include a copy of the Joint Venture Agreement entered into by all members. Alternatively, a Form of intent to execute a Joint Venture Agreement in the event of a successful Tender shall be signed by all members and submitted with the Tender, together with a copy of the proposed Agreement.

#### 13.4 The Tenderer shall furnish in the Form of Tender information on commissions and gratuities, if any, paid or to be paid to agents or any other party relating to this Tender.

### 14. Form of Tender and Activity Schedule

#### 14.1 The Form of Tender and priced Activity Schedule shall be prepared using the relevant forms furnished in Section IV, Tendering Forms. The forms must be completed without any alterations to the text, and no substitutes shall be accepted except as provided under ITT 22.3. All blank spaces shall be filled in with the information requested.

#### 14.2 The Tenderer shall furnish in the Form of Tender information on commissions and gratuities, if any, paid or to be paid to agents or any other party relating to this Tender.

### 15. Alternative Tenders

#### 1.1 Unless otherwise indicated **in the TDS**, alternative Tenders shall not be considered. If alternatives are permitted, only the technical alternatives, if any, of the Best Evaluated Tender shall be considered by the Procuring Entity.

#### 1.2 When alternative times for completion are explicitly invited, a statement

to that effect will be included **in the TDS** and the method of evaluating different time schedules will be described in Section III, Evaluation and Qualification Criteria.

- 1.3 When specified **in the TDS**, Tenderers are reemitted to submit alternative technical solutions for specified parts of the Services, and such parts will be identified **in the TDS**, as will the method for their evaluating, and described in Section VII, Procuring Entity's Requirements.

## **16. Tender Prices and Discounts**

- 16.1 The prices and discounts (including any price reduction) quoted by the Tenderer in the Form of Tender and in the Activity Schedule (s) shall conform to the requirements specified below.
- 16.2 All lots (contracts) and items must be listed and priced separately in the Activity Schedule(s).
- 16.3 The Contract shall be for the Services, as described in Appendix A to the Contract and in the Specifications (or Terms of Reference), based on the priced Activity Schedule, submitted by the Tenderer.
- 16.4 The Tenderer shall quote any discounts and indicate the methodology for their application in the Form of Tender in accordance with ITT 16.1.
- 16.5 The Tenderer shall fill in rates and prices for all items of the Services described in the in Specifications (or Terms of Reference), and listed in the Activity Schedule in Section VII, Procuring Entity's Requirements. Items for which no rate or price is entered by the Tenderer will not be paid for by the Procuring Entity when executed and shall be deemed covered by the other rates and prices in the Activity Schedule.
- 16.6 All duties, taxes, and other levies payable by the Service Provider under the Contract, or for any other cause, as of the date 30 days prior to the deadline for submission of Tenders, shall be included in the total Tender price submitted by the Tenderer.
- 16.7 If provided for **in the TDS**, the rates and prices quoted by the Tenderer shall be subject to adjustment during the performance of the Contract in accordance with and the provisions of Clause 6.6 of the General Conditions of Contract and / or Special Conditions of Contract. The Tenderer shall submit with the Tender all the information required under the Special Conditions of Contract and of the General Conditions of Contract.
- 16.8 For the purpose of determining the remuneration due for additional Services, a breakdown of the lump-sum price shall be provided by the Tenderer in the form of Appendices D and E to the Contract.

## **17. Currencies of Tender and Payment**

- 17.1 The currency of the Tender and the currency of payments shall be Kenya Shillings.

## **18. Documents Establishing Conformity of Services**

- 18.1 To establish the conformity of the Non-Consulting Services to the tendering document, the Tenderer shall furnish as part of its Tender the documentary evidence that Services provided conform to the technical specifications and standards specified in Section VII, Procuring Entity's

## Requirements.

- 18.2 Standards for provision of the Non-Consulting Services are intended to be descriptive only and not restrictive. The Tenderer may offer other standards of quality provided that it demonstrates, to the Procuring Entity's satisfaction, that the substitutions ensure substantial equivalence or are superior to those specified in the Section VII, Procuring Entity's Requirements.
- 18.3 Tender to provide, as part of the data for qualification, such information, including details of ownership, as shall be required to determine whether, according to the classification established by the Procuring Entity, a Service provider or group of service providers, qualifies for a margin of preference. Further the information will enable the Procuring Entity identify any actual or potential conflict of interest in relation to the procurement and/or contract management processes, or a possibility of collusion between tenderers, and thereby help to prevent any corrupt influence in relation to the procurement processor contract management.
- 18.4 The purpose of the information described in ITT 18.3 above, overrides any claims to confidentiality which a tenderer may have. There can be no circumstances in which it would be justified for a tenderer to keep information relating to its ownership and control confidential where it is tendering to undertake public sector work and receive public sector funds. Thus, confidentiality will not be accepted by the Procuring Entity as a justification for a Tenderer's failure to disclose, or failure to provide required information on its ownership and control.
- 18.5 The Tenderer shall provide further documentary proof, information or authorizations that the Procuring Entity may request in relation to ownership and control which information on any changes to the information which was provided by the tenderer under ITT18.3. The obligations to require this information shall continue for the duration of the procurement process and contract performance and after completion of the contract, if any change to the information previously provided may reveal a conflict of interest in relation to the award or management of the contract.
- 18.6 All information provided by the tenderer pursuant to these requirements must be complete, current and accurate as at the date of provision to the Procuring Entity. In submitting the information required pursuant to these requirements, the Tenderer shall warrant that the information submitted is complete, current and accurate as at the date of submission to the Procuring Entity.
- 18.7 If a tenderer fails to submit the information required by these requirements, its tenderer will be rejected. Similarly, if the Procuring Entity is unable, after taking reasonable steps, to verify to a reasonable degree the information submitted by a tenderer pursuant to these requirements, then the tender will be rejected.
- 18.8 If information submitted by a tenderer pursuant to these requirements, or obtained by the Procuring Entity (whether through its own enquiries, through notification by the public or otherwise), shows any conflict of interest which could materially and improperly benefit the tenderer in relation to the procurement or contract management process, then:
- i) If the procurement process is still on going, the tenderer will be

disqualified from the procurement process,

- ii) if the contract has been awarded to that tenderer, the contract award will be set aside, pending the outcome of (iii),
- iii) The tenderer will be referred to the relevant law enforcement authorities for investigation of whether the tenderer or any other persons have committed any criminal offence.

18.9 If a tenderer submits information pursuant to these requirements that is in complete, inaccurate or out-of-date, or attempts to obstruct the verification process, then the consequences ITT 18.9 will ensue unless the tenderer can show to the reasonable satisfaction of the Procuring Entity that any such act was not material, or was due to genuine error or which was not attributable to the intentional act, negligence or recklessness of the tenderer.

## **19. Documents Establishing the Eligibility and Qualifications of the Tenderer**

19.1 To establish Tenderer's their eligibility in accordance with ITT4, Tenderers shall complete the Form of Tender, included in Section IV, Tendering Forms.

19.2 The documentary evidence of the Tenderer's qualification stopper form the Contract if its Tender is accepted shall establish to the Procuring Entity's satisfaction that the Tenderer meets each of the qualification criterion specified in Section III, Evaluation and Qualification Criteria.

19.3 All Tenderers shall provide in Section IV, Tendering Forms, a preliminary description of the proposed methodology, work plan and schedule.

19.4 In the event that pre-qualification of Tenderers has been undertaken, only Tenders from prequalified Tenderers shall be considered for award of Contract. These qualified Tenderers should submit with their Tenders any information updating their original pre-qualification applications or, alternatively, confirm in their Tenders that the originally submitted pre-qualification information remains essentially correct as of the date of Tender submission.

19.5 If pre-qualification has not taken place before Tendering, the qualification criteria for the Tenderers are specified- in Section III, Evaluation and Qualification Criteria.

## 20. Period of Validity of Tenders

20.1 *Tenders shall remain valid for the Tender Validity period specified in the TDS. The Tender Validity period starts from the date fixed for the Tender submission deadline date (as prescribed by the Procuring Entity in accordance with ITT 24.1). A Tender valid for a shorter period shall be rejected by the Procuring Entity as non-responsive.*

20.2 *In exceptional circumstances, prior to the expiration of the Tender validity period, the Procuring Entity may request Tenderers to extend the period of validity of their Tenders. The request and the responses shall be made in writing. If a Tender Security is requested in accordance with ITT20, it shall also be extended for a corresponding period. A Tenderer may refuse the request without forfeiting its Tender Security. A Tenderer granting the request shall not be required or permitted to modify its Tender.*

## 21. Tender Security

21.1 The Tenderer shall furnish as part of its Tender, either a Tender-Securing Declaration or a Tender security, as specified **in the TDS**, in original form and, in the case of a Tender Security, in the amount and currency specified **in the TDS**.

21.2 A Tender Securing Declaration shall use the form included in Section IV, Tendering Forms.

21.3 If a Tender Security is specified pursuant to ITT 21.1, from a reputable source, and an eligible country and shall be in any of the following forms at the Tenderer's option:

- i) cash;
- ii) a bank guarantee;
- iii) a guarantee by an insurance company registered and licensed by the Insurance Regulatory Authority listed by the Authority; or
- iv) a guarantee issued by a financial institution approved and licensed by the Central Bank of Kenya,

21.4 If a Tender Security is specified pursuant to ITT 20.1, any Tender not accompanied by a substantially responsive Tender Security shall be rejected by the Procuring Entity as non-responsive.

21.5 If a Tender Security is specified pursuant to ITT 21.1, the Tender Security of unsuccessful Tenderers shall be returned as promptly as possible upon the successful Tenderer's signing the contract and furnishing the Performance Security pursuant to ITT 46. The Procuring Entity shall also promptly return the tender security to the tenderers where the procurement proceedings are terminated, all tenders were determined non-responsive or a bidder declines to extend tender validity period.

21.6 The Tender Security of the successful Tenderer shall be returned as promptly as possible once the successful Tenderer has signed the Contract and furnished the required Performance Security.

21.7 The Tender Security may be forfeited or the Tender-Securing Declaration executed:

- a. If a Tenderer withdraws its Tender during the period of Tender

validity specified by the Tenderer in the Form of Tender, or any extension there to provide by the Tenderer; or

- b. if the successful Tenderer fails to:
- c. sign the Contract in accordance with ITT 46; or
- d. Furnish a performance security in accordance with ITT 47.

21.8 Where tender securing declaration is executed, the Procuring Entity shall recommend to the PPRA that PPRA debars the Tenderer from participating in public procurement as provided in the law.

21.9 The Tender Security or Tender-Securing Declaration of a JV must be in the name of the JV that submits the Tender. If the JV has not been legally constituted into a legally enforceable JV at the time of Tendering, the Tender security or Tender-Securing Declaration shall be in the names of all future members as named in the Form of intent referred to in ITT 4.1 and ITT 13.2.

21.10 A tenderer shall not issue a tender security to guarantee itself.

## **22. Format and Signing of Tender**

22.1 The Tenderer shall prepare one original of the documents comprising the Tender as described in ITT 13, bound with the volume containing the Form of Tender, and clearly marked "Original. "In addition, the Tenderer shall submit copies of the Tender, in the number specified in the TDS, and clearly marked as "Copies. "In the event of discrepancy between them, the original shall prevail.

22.2 Tenderers shall mark as "CONFIDENTIAL "information in their Tenders which is confidential to their business. This may include proprietary information, trade secrets, or commercial or financially sensitive information.

22.3 The original and all copies of the Tender shall be typed or written in indelible ink and shall be signed by a person or persons duly authorized to sign on behalf of the Tenderer. This authorization shall consist of a written confirmation as specified in the TDS and shall be attached to the Tender. The name and position held by each person signing the authorization must be typed or printed below the signature. All pages of the Tender where entries or amendments have been made shall be signed or initialed by the person signing the Tender.

22.4 In case the Tenderer is a JV, the Tender shall be signed by an authorized representative of the JV on behalf of the JV, and so as to be legally binding on all the members as evidenced by a power of attorney signed by their legally authorized representatives.

22.5 Any inter-lineation, erasures, or overwriting shall be valid only if they are signed or initialed by the person signing the Tender.

## **D. Submission and Opening of Tenders**

## **23. Sealing and Marking of Tenders**

23.1 Depending on the sizes or quantities or weight of the tender documents, a tenderer may use an envelope, package or container. The Tenderer shall deliver the Tender in a single sealed envelope, or in a single sealed package, or in a single sealed container bearing the name and Reference number of the Tender, addressed to the Procuring Entity and a warning

not to open before the time and date for Tender opening date. Within the single envelope, package or container, the Tenderer shall place the following separate, sealed envelopes:

- a. in an envelope or package or container marked "ORIGINAL", all documents comprising the Tender, as described in ITT13; and
- b. in an envelope or package or container marked "COPIES", all required copies of the Tender; and
- c. if alternative Tenders are permitted in accordance with ITT15, and if relevant:
  - i. in an envelope or package or container marked "ORIGINAL-ALTERNATIVE TENDER", the alternative Tender; and
  - ii. in the envelope or package or container marked "COPIES-ALTERNATIVE TENDER", all required copies of the alternative Tender.

23.2 The inner envelopes or packages or containers shall:

- a) Bear the name and address of the Procuring Entity.
- b) Bear the name and address of the Tenderer; and
- c) Bear the name and Reference number of the Tender.

23.3 If an envelope or package or container is not sealed and marked as required, the *Procuring Entity* will assume no responsibility for the misplacement or premature opening of the Tender. Tenders misplaced or opened prematurely will not be accepted.

## **24. Deadline for Submission of Tenders**

24.1 Tenders must be received by the Procuring Entity at the address and no later than the date and time specified **in the TDS**. When so specified **in the TDS**, Tenderers shall have the option of submitting their Tenders electronically. Tenderers submitting Tenders electronically shall follow the electronic Tender submission procedures specified **in the TDS**.

24.2 The Procuring Entity may, at its discretion, extend the deadline for the submission of Tenders by amending the tendering document in accordance with ITT9, in which case all rights and obligations of the Procuring Entity and Tenderers previously subject to the deadline shall thereafter be subject to the deadline as extended.

## **25. Late Tenders**

25.1 The Procuring Entity shall not consider any Tender that arrives after the dead line for submission of Tenders, in accordance with ITT 24. Any Tender received by the Procuring Entity after the deadline for submission of Tenders shall be declared late, rejected, and returned unopened to the Tenderer.

## **26. Withdrawal, Substitution and Modification of Tenders**

26.1 A Tenderer may withdraw, substitute, or modify its Tender after it has been submitted by sending a written notice, duly signed by a n authorized representative, and shall include a copy of the authorization (the power of attorney) in accordance with ITT 21.3, (except that withdrawal notices do not require copies). The corresponding substitution or modification of the Tender must accompany the respective written notice. All notices must be:

- a) Prepared and submitted in accordance with ITT 21 and ITT 22 (except that withdrawal notices do not require copies), and in addition, the

respective envelopes shall be clearly marked "WITHDRAWAL," "SUBSTITUTION," or "MODIFICATION;" and

- b) Received by the Procuring Entity prior to the deadline prescribed for submission of Tenders, in accordance with ITT 23.

26.2 Tenders requested to be withdrawn in accordance with ITT 25.1 shall be returned unopened to the Tenderers.

26.3 No Tender may be withdrawn, substituted, or modified in the interval between the deadline for submission of Tenders and the expiration of the period of Tender validity specified by the Tenderer on the Form of Tender or any extension thereof.

## **27. Tender Opening**

27.1 Except as in the cases specified in ITT 23 and ITT 25.2, the Procuring Entity shall, at the Tender opening, publicly open and read out all Tenders received by the deadline at the date, time and place specified **in the TDS** in the presence of Tenderers' designated representatives and anyone who choose to attend. Any specific electronic Tender opening procedures required if electronic tendering is permitted in accordance with ITT 23.1 shall be as specified **in the TDS**.

27.2 First, envelopes marked "WITHDRAWAL" shall be opened and read out and the envelope with the corresponding Tender shall not be opened, but returned to the Tenderer. If the withdrawal envelope does not contain a copy of the "power of attorney" confirming the signature as a person duly authorized to sign on behalf of the Tenderer, the corresponding Tender will be opened. No Tender withdrawal shall be permitted unless the corresponding withdrawal notice contains a valid authorization to request the withdrawal and is read out at Tender opening.

27.3 Next, envelopes marked "SUBSTITUTION" shall be opened and read out and exchanged with the corresponding Tender being substituted, and the substituted Tender shall not be opened, but returned to the Tenderer. No Tender substitution shall be permitted unless the corresponding substitution notice contains a valid authorization to request the substitution and is read out at Tender opening.

27.4 Next, envelopes marked "MODIFICATION" shall be opened and read out with the corresponding Tender. No Tender modification shall be permitted unless the corresponding modification notice contains a valid authorization to request the modification and is read out at Tender opening.

27.5 Next, all remaining envelopes shall be opened one at a time, reading out: the name of the Tenderer and whether there is a modification; the total Tender Prices, per lot (contract) if applicable, including any discounts and alternative Tenders; the presence or absence of a Tender Security or Tender-Securing Declaration, if required; and any other details as the Procuring Entity may consider appropriate.

27.6 Only Tenders, alternative Tenders and discounts that are opened and read out at Tender opening shall be considered further. The Form of Tender and the priced Activity Schedule are to be initialed by representatives of the Procuring Entity attending Tender opening in the manner specified **in the TDS**.

27.7 The Procuring Entity shall neither discuss the merits of any Tender nor

reject any Tender (except for late Tenders, in accordance with ITT25.1).

27.8 The Procuring Entity shall prepare a record of the Tender opening that shall include, as a minimum:

- a) The name of the Tenderer and whether there is a withdrawal, substitution, or modification;
- b) The Tender Price, per lot (contract) if applicable, including any discounts; and
- c) any alternative Tenders;
- d) The presence or absence of a Tender Security or Tender-Securing Declaration, if one was required.
- e) Number of pages of each tender document submitted

27.9 The Tenderers' representatives who are present shall be requested to sign the record. The omission of a Tenderer's signature on the record shall not invalidate the contents and effect of the record. A copy of the tender opening register shall be distributed to Tenderer upon request.

## **E. Evaluation and Comparison of Tenders**

### **28. Confidentiality**

28.1 Information relating to the evaluation of Tenders and recommendation of contract award, shall not be disclosed to Tenderers or any other persons not officially concerned with the Tendering process until information on the Intention to Award the Contract is transmitted to all Tenderers in accordance with ITT 42.

28.2 Any effort by a Tenderer to influence the Procuring Entity in the evaluation or contract award decisions may result in the rejection of its Tender.

28.3 Notwithstanding ITT 28.2, from the time of Tender opening to the time of Contract Award, if any Tenderer wishes to contact the Procuring Entity on any matter related to the Tendering process, it should do so in writing.

### **29. Clarification of Tenders**

29.1 To assist in the examination, evaluation, and comparison of Tenders, and qualification of the Tenderers, the Procuring Entity may, at the Procuring Entity's discretion, ask any tenderer for clarification of its Tender including break downs of the prices in the Activity Schedule, and other information that the Procuring Entity may require. Any clarification submitted by a Tenderer in respect to its Tender and that is not in response to a request by the Procuring Entity shall not be considered. The Procuring Entity's request for clarification and the response shall be in writing. No change, including any voluntary increase or decrease, in the prices or substance of the Tender shall be sought, offered, or permitted, except to confirm the correction of arithmetic errors discovered by the Procuring Entity in the evaluation of the Tenders, in accordance with ITT32.

29.2 If a Tenderer does not provide clarifications of its Tender by the date and time set in the Procuring Entity's request for clarification, its Tender may be rejected.

### **30. Deviations, Reservations, and Omissions**

30.1 During the evaluation of Tenders, the following definitions apply:

- a) "Deviation" is a departure from the requirements specified in the tendering document;
- b) "Reservation" is the setting of limiting conditions or withholding from complete acceptance of the requirements specified in the tendering document; and
- c) "Omission" is the failure to submit part or all of the information or documentation required in the tendering document.

### **31. Determination of Responsiveness**

31.1 The Procuring Entity's determination of a Tender's responsiveness is to be based on the contents of the Tender itself, as defined in ITT 12.

31.2 A substantially responsive Tender is one that meets the requirements of the tendering document without material deviation, reservation, or omission. A material deviation, reservation, or omission is one that:

- a) If accepted, would:
  - i. affect in any substantial way the scope, quality, or performance of the Non-Consulting Services specified in the Contract; or
  - ii. limit in any substantial way, inconsistent with the tendering document, the Procuring Entity's rights or the Tenderer's obligations under the Contract; or
- b) if rectified, would unfairly affect the competitive position of other Tenderers presenting substantially responsive Tenders.

31.3 The Procuring Entity shall examine the technical aspects of the Tender submitted in accordance with ITT 18 and ITT 19, in particular, to confirm that all requirements of Section VII, Procuring Entity's Requirements have been met without any material deviation or reservation, or omission.

31.4 If a Tender is not substantially responsive to the requirements of tendering document, it shall be rejected by the Procuring Entity and may not subsequently be made responsive by correction of the material deviation, reservation, or omission.

31.5 Provided that a Tender is substantially responsive, the Procuring Entity may waive any non-conformity in the Tender.

31.6 Provided that a Tender is substantially responsive, the Procuring Entity may request that the Tenderer submit the necessary information or documentation, within a reasonable period of time, to rectify nonmaterial non-conformities or omissions in the Tender related to documentation requirements. Requesting information or documentation on such non-conformities shall not be related to any aspect of the price of the Tender. Failure of the Tenderer to comply with the request may result in the rejection of its Tender.

31.7 Provided that a Tender is substantially responsive, the Procuring Entity shall rectify quantifiable nonmaterial non-conformities related to the Tender Price. To this effect, the Tender Price shall be adjusted, for comparison purposes only, to reflect the price of a missing or non-conforming item or component in the manner specified in the TDS.

### **32. Arithmetical Errors**

32.1 The tender sum as submitted and read out during the tender opening shall be absolute and final and shall not be the subject of correction, adjustment or amendment in any way by any person or entity.

32.2 Provided that the Tender is substantially responsive, the Procuring Entity shall handle errors on the following basis:

- a) Any error detected if considered a major deviation that affects the substance of the tender, shall lead to disqualification of the tender as non-responsive.
- b) Any errors in the submitted tender arising from a miscalculation of unit price, quantity, subtotal and total bid price shall be considered as a major deviation that affects the substance of the tender and shall lead to disqualification of the tender as non-responsive .and
- c) If there is a discrepancy between words and figures, the amount in words shall prevail

32.3 Tenderers shall be notified of any error detected in their bid during the notification of a ward.

### **33. Conversion to Single Currency**

33.1 For evaluation and comparison purposes, the currency(ies) of the Tender shall be converted into a single currency as specified in the TDS.

### **34. Margin of Preference and Reservations**

34.1 Margin of preference on local service providers may be allowed if it is deemed that the services require participation of foreign tenderers. If so allowed, it will be indicated in the **TDS**.

34.2 Where it is intended to reserve the contract to specific groups under Small and Medium Enterprises, or enterprise of women, youth and /or persons living with disability, who are appropriately registered as such by the authority to be specified in the **TDS**, a procuring entity shall ensure that the invitation to tender specifically indicates that only businesses/firms belonging to the specified group are eligible to tender as specified in the **TDS**. Otherwise, if not so stated, the invitation will be open to all tenderers.

### **35. Evaluation of Tenders**

35.1 The Procuring Entity shall use the criteria and methodologies listed in this ITT and Section III, Evaluation and Qualification Criteria. No other evaluation criteria or methodologies shall be permitted. By applying the criteria and methodologies, the Procuring Entity shall determine the Best Evaluated Tender. This is the Tender of the Tenderer that meets the qualification criteria and whose Tender has been determined to be:

- a) Substantially responsive to the tendering document; and
- b) The lowest evaluated cost.

35.2 In evaluating the Tenders, the Procuring Entity will determine for each Tender the evaluated Tender cost by adjusting the Tender price as follows:

- a) Price adjustment due to discounts offered in accordance with ITT 16.4;

- b) price adjustment due to quantifiable non-material non-conformities in accordance with ITT 31.3;
- c) converting the amount resulting from applying (a) and (b) above, if relevant, to a single currency in accordance with ITT 33; and
- d) any additional evaluation factors specified in the TDS and Section III, Evaluation and Qualification Criteria.

35.3 The estimated effect of the price adjustment provisions of the Conditions of Contract, applied over the period of execution of the Contract, shall not be considered in Tender evaluation.

35.4 In the case of multiple contracts or lots, Tenderers are allowed to tender for one or more lots and the methodology to determine the lowest evaluated cost of the lot (contract) and for combinations, including any discounts offered in the Form of Tender, is specified in Section III, Evaluation and Qualification Criteria. For one or more lots (contracts). Each lot or contract will be evaluated in accordance with ITT.

35.5 35.5. The methodology to determine the lowest evaluated tenderer or tenderers based one lot (contract) or based on a combination of lots (contracts), will be specified in Section III, Evaluation and Qualification Criteria. In the case of multiple lots or contracts, tenderer will be required to prepare the Eligibility and Qualification Criteria Form for each Lot.

### **36. Comparison of Tenders**

36.1 The Procuring Entity shall compare the evaluated costs of all substantially responsive Tenders established in accordance with ITT 35.2 to determine the Tender that has the lowest evaluated cost.

### **37. Abnormally Low Tenders and Abnormally High Tenders**

#### **Abnormally Low Tenders**

37.1 An Abnormally Low Tender is one where the Tender price, in combination with other elements of the Tender, appears so low that it raises material concerns as to the capability of the Tenderer in regards to the Tenderer's ability to perform the Contract for the offered Tender Price.

37.2 In the event of identification of a potentially Abnormally Low Tender, the Procuring Entity shall seek written clarifications from the Tenderer, including detailed price analyses of its Tender price in relation to the subject matter of the contract, scope, proposed methodology, schedule, allocation of risks and responsibilities and any other requirements of the Tender document.

37.3 After evaluation of the price analyses, in the event that the Procuring Entity determines that the Tenderer has failed to demonstrate its capability to perform the Contract for the offered Tender Price, the Procuring Entity shall reject the Tender.

#### **Abnormally High Tenders**

37.4 An abnormally high price is one where the tender price, in combination with other constituent elements of the Tender, appears unreasonably too high to the extent that the Procuring Entity is concerned that it (the Procuring Entity) may not be getting value for money or it may be paying too high a price for the contract compared with market prices or that

genuine competition between Tenderers is compromised.

37.5 In case of an abnormally high price, the Procuring Entity shall make a survey of the market prices, check if the estimated cost of the contract is correct and review the Tender Documents to check if the specifications, scope of work and conditions of contract are contributory to the abnormally high tenders. The Procuring Entity may also seek written clarification from the tenderer on the reason for the high tender price. The Procuring Entity shall proceed as follows:

- i) If the tender price is abnormally high based on wrong estimated cost of the contract, the Procuring Entity may accept or not accept the tender depending on the Procuring Entity's budget considerations.
- ii) If specifications, scope of work and/or conditions of contract are contributory to the abnormally high tender prices, the Procuring Entity shall reject all tenders and may retender for the contract based on revised estimates, specifications, scope of work and conditions of contract, as the case maybe.

37.6 If the Procuring Entity determines that the Tender Price is abnormally too high because genuine competition between tenderers is compromised (often due to collusion, corruption or other manipulations), the Procuring Entity shall reject all Tenders and shall institute or cause competent Government Agencies to institute an investigation on the cause of the compromise, before retendering.

### **38. Unbalanced and/or Front-Loaded Tenders**

38.1 If in the Procuring Entity's opinion, the Tender that is evaluated as the lowest evaluated price is seriously unbalanced and/or front loaded, the Procuring Entity may require the Tenderer to provide written clarifications. Clarifications may include detailed price analyses to demonstrate the consistency of the tender prices with the scope of works, proposed methodology, schedule and any other requirements of the Tender document.

38.2 After the evaluation of the information and detailed price analyses presented by the Tenderer, the Procuring Entity may as appropriate:

- a) Accept the Tender; or
- b) require that the total amount of the Performance Security be increased at the expense of the Tenderer to a level not exceeding 10% of the Contract Price; or
- c) agree on a payment mode that eliminates the inherent risk of the Procuring Entity paying too much for undelivered works; or
- d) Reject the Tender.

### **39. Qualification of the Tenderer**

39.1 The Procuring Entity shall determine to its satisfaction whether the Tenderer that is selected as having submitted the lowest evaluated cost and substantially responsive Tender is eligible and meets the qualifying criteria specified in Section III, Evaluation and Qualification Criteria.

39.2 The determination shall be based upon an examination of the documentary evidence of the Tenderer's qualifications submitted by the Tenderer, pursuant to ITT 18. The determination shall not take into consideration the qualifications of other firms such as the Tenderer's subsidiaries, parent entities, affiliates, subcontractors or any other

firm(s) different from the Tenderer that submitted the Tender.

39.3 An affirmative determination shall be a prerequisite for award of the Contract to the Tenderer. A negative determination shall result in disqualification of the Tender, in which event the Procuring Entity shall proceed to the Tenderer who offers a substantially responsive Tender with the next lowest evaluated cost to make a similar determination of that Tenderer's qualifications to perform satisfactorily.

**40. Procuring Entity's Right to Accept Any Tender, and to Reject Any or All Tenders**

40.1 The Procuring Entity reserves the right to accept or reject any Tender, and to annul the Tendering process and reject all Tenders at any time prior to Contract Award, without there by incurring any liability to Tenderers. In case of annulment, all Tenders submitted and specifically, Tender securities, shall be promptly returned to the Tenderers.

**F. Award of Contract**

**41. Award Criteria**

41.1 The Procuring Entity shall award the Contract to the successful tenderer whose tender has been determined to be the Lowest Evaluated Tender.

**42. Notice of Intention to enter in to a Contract**

42.1 Upon award of the contract and prior to the expiry of the Tender Validity Period the Procuring Entity shall issue a Notification of Intention to Enter into a Contract/Notification of a ward to all tenderers which shall contain, at a minimum, the following information:

- a) The name and address of the Tenderer submitting the successful tender;
- b) The Contract price of the successful tender;
- c) a statement of the reason(s) the tender of the unsuccessful tenderer to whom the letter is addressed was unsuccessful, unless the price information in(c) above already reveals the reason;
- d) the expiry date of the Stand still Period; and
- e) instructions on how to request a debriefing and/or submit a complaint during the stand still period;

**43. Stand still Period**

43.1 The Contract shall not be signed earlier than the expiry of a Standstill Period of 14 days to allow any dissatisfied tender to launch a complaint. Where only one Tender is submitted, the Standstill Period shall not apply.

43.2 Where a Standstill Period applies, it shall commence when the Procuring Entity has transmitted to each Tenderer the Notification of Intention to Enter in to a Contract with the successful Tenderer.

**44. Debriefing by the Procuring Entity**

42.1 On receipt of the Procuring Entity's Notification of Intention to Enter into a Contract referred to in ITT 42, an unsuccessful tenderer may make a written request to the Procuring Entity for a debriefing on specific issues or concerns regarding their tender. The Procuring Entity shall provide

the debriefing with in five days of receipt of the request.

42.2 Debriefings of unsuccessful Tenderers may be done in writing or verbally. The Tenderer shall bear its own costs of attending such a debriefing meeting.

#### **45. Letter of Award**

45.1 Prior to the expiry of the Tender Validity Period and upon expiry of the Standstill Period specified in ITT 43.1, upon addressing a complaint that has been filed within the Standstill Period, the Procuring Entity shall transmit the Letter of Award to the successful Tenderer. The letter of award shall request the successful tenderer to furnish the Performance Security within 21 days of the date of the letter.

#### **46. Signing of Contract**

46.1 Upon the expiry of the fourteen days of the Notification of Intention to enter into contract and upon the parties meeting their respective statutory requirements, the Procuring Entity shall send the successful Tenderer the Contract Agreement.

46.2 Within fourteen (14) days of receipt of the Contract Agreement, the successful Tenderer shall sign, date, and return it to the Procuring Entity.

46.3 The written contract shall be entered into within the period specified in the notification of award and before expiry of the tender validity period

#### **47. Performance Security**

47.1 Within twenty-one (21) days of the receipt of the Form of Acceptance from the Procuring Entity, the successful Tenderer, if required, shall furnish the Performance Security in accordance with the GCC 3.9, using for that purpose the Performance Security Form included in Section X, Contract Forms, or another Form acceptable to the Procuring Entity. If the Performance Security furnished by the successful Tenderer is in the form of a bond, it shall be issued by a bonding or insurance company that has been determined by the successful Tenderer to be acceptable to the Procuring Entity. A foreign institution providing a bond shall have a correspondent financial institution located in Kenya, unless the Procuring Entity has agreed in writing that a correspondent financial institution is not required.

47.2 Failure of the successful Tenderer to submit the above-mentioned Performance Security or sign the Contract shall constitute sufficient grounds for the annulment of the award and forfeiture of the Tender Security. In that event the Procuring Entity may award the Contract to the Tenderer offering the next Best Evaluated Tender.

#### **48. Publication of Procurement Contract**

48.1 Within fourteen days after signing the contract, the Procuring Entity shall publish the awarded contract at its notice boards and websites; and on the Website of the Authority. At the minimum, the notice shall contain the following information:

- a) Name and address of the Procuring Entity;
- b) Name and reference number of the contract being awarded, a summary of its scope and the selection method used;
- c) The name of the successful Tenderer, the final total contract price,

the contract duration.

- d) Dates of signature, commencement and completion of contract;

#### **49. Adjudicator**

**49.1** The Procuring Entity proposes the person named **in the TDS** to be appointed as adjudicator or under the Contract, at an hourly fee specified in **the TDS**, plus reimbursable expenses. If the Tenderer disagrees with this Tender, the Tenderer should so state in the Tender. If, in the Form of Acceptance, the Procuring Entity has not agreed on the appointment of the Adjudicator, the Adjudicator shall be appointed by the Appointing Authority designated in the Special Conditions of Contract at the request of either party.

#### **50. Procurement Related Complaints and Administrative Review**

**50.1** The procedures for making a Procurement-related Complaint are as specified in the TDS.

**50.2** A request for administrative review shall be made in the form provided under contract forms.

vi). APPENDIX 1- FRAUD AND CORRUPTION

*(Appendix 1 shall not be modified)*

**1. Purpose**

- 1.1 The Government of Kenya's Anti-Corruption and Economic Crime laws and their sanction's policies and procedures, Public Procurement and Asset Disposal Act (no. 33 of 2015) and its Regulation, and any other Kenya's Acts or Regulations related to Fraud and Corruption, and similar offences, shall apply with respect to Public Procurement Processes and Contracts that are governed by the laws of Kenya.

**2. Requirements**

- 2.1 The Government of Kenya requires that all parties including Procuring Entities, Tenderers, (applicants/proposers), Consultants, Contractors and Suppliers; any Sub-contractors, Sub-consultants, Service providers or Suppliers; any Agents (whether declared or not); and any of their Personnel, involved and engaged in procurement under Kenya's Laws and Regulation, observe the highest standard of ethics during the procurement process, selection and contract execution of all contracts, and refrain from Fraud and Corruption and fully comply with Kenya's laws and Regulations as per paragraphs 1.1above.

- 2** Kenya's public procurement and asset disposal act (no. 33 of 2015) under Section 66 describes rules to be followed and actions to be taken in dealing with Corrupt, Coercive, Obstructive, Collusive or Fraudulent practices, and Conflicts of Interest in procurement including consequences for offences committed. A few of the provisions noted below highlight Kenya's policy of no tolerance for such practices and behavior:

- 1) A person to whom this Act applies shall not be involved in any corrupt, coercive, obstructive, collusive or fraudulent practice; or conflicts of interest in any procurement or asset disposal proceeding;
- 2) A person referred to under sub section (1) who contravenes the provisions of that sub-section commits an offence;
- 3) Without limiting the generality of the subsection (1) and (2), the person shall be:-
  - a) disqualified from entering into a contract for a procurement or asset disposal proceeding; or
  - b) if a contract has already been entered into with the person, the contract shall be voidable;
- 4) The voiding of a contract by the procuring entity under subsection (7) does not limit any legal remedy the procuring entity may have;

- 3.** An employee or agent of the procuring entity or a member of the Board of the procuring entity who has a conflict of interest with respect to a procurement: -

- a) Shall not take part in the procurement proceedings;
- b) shall not, after a procurement contract has been entered into, take part in any decision relating to the procurement or contract; and
- c) Shall not be a subcontractor for the tender to whom was awarded contract, or a member of the group of tenders to whom the contract was awarded, but the subcontractor appointed shall meet all the

requirements of this Act.

4. An employee, agent or member described in subsection (1) who refrains from doing anything prohibited under that subsection, but for that subsection, would have been within his or her duties shall disclose the conflict of interest to the procuring entity;

- 4.1 If a person contravenes subsection (1) with respect to a conflict of interest described in subsection (5) (a) and the contract is awarded to the person or his relative or to another person in whom one of them had a direct or indirect pecuniary interest, the contract shall be terminated and all costs incurred by the public entity shall be made good by the a warding officer. Etc.

In compliance with Kenya's laws, regulations and policies mentioned above, the Procuring Entity:

- a) Defines broadly, for the purposes of the above provisions, the terms set forth below as follows:

- i) "corrupt practice" is the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence improperly the actions of another party;

- ii) "fraudulent practice" is any act or omission, including misrepresentation, that knowingly or recklessly misleads, or attempts to mislead, a party to obtain financial or other benefit or to avoid an obligation;

- iii) "collusive practice" is an arrangement between two or more parties designed to achieve an improper purpose, including to influence improperly the actions of another party;

- iv) "coercive practice" is impairing or harming, or threatening to impair or harm, directly or indirectly, any party or the property of the party to influence improperly the actions of a party;

- v) "obstructive practice" is:

- a) deliberately destroying, falsifying, altering, or concealing of evidence material to the investigation or making false statements to investigators in order to materially impede investigation by Public Procurement Regulatory Authority (PPRA) or any other appropriate authority appointed by Government of Kenya into allegations of a corrupt, fraudulent, coercive, or collusive practice; and/or threatening, harassing, or intimidating any party to prevent it from disclosing its knowledge of matters relevant to the investigation or from pursuing the investigation; or

- b) acts intended to materially impede the exercise of the PPRA's or the appointed authority's inspection and audit rights provided for under paragraph 2.3e. below.

- c) Defines more specifically, in accordance with the above procurement Act provisions set forth for fraudulent and collusive practices as follows:

"fraudulent practice" includes a misrepresentation of fact in order to influence a procurement or disposal process or the exercise of a contract to the detriment of the procuring entity or the tenderer or the contractor, and includes collusive practices amongst tenderers prior to or after tender submission designed to establish tender prices at artificial non-competitive levels and to deprive he procuring entity of

the benefits of free and open competition.

- c) Rejects a proposal for award<sup>1</sup> of a contract if PPRA determines that the firm or individual recommended for award, any of its personnel, or its agents, or its sub-consultants, sub-contractors, service providers, suppliers and/ or their employees, has, directly or indirectly, engaged in corrupt, fraudulent, collusive, coercive, or obstructive practices in competing for the contract in question;
- d) Pursuant to the Kenya's above stated Acts and Regulations, may sanction or recommend to appropriate authority(ies) for sanctioning and debarment of a firm or individual, as applicable under the Act and Regulations;
- e) Requires that a clause be included in Tender documents and Request for Proposal documents requiring (i) Tenderers (applicants/proposers), Consultants, Contractors, and Suppliers, and their Sub-contractors, Sub-consultants, Service providers, Suppliers, Agents personnel, permit the PPRA or any other appropriate authority appointed by Government of Kenya to inspect<sup>2</sup> all accounts, records and other documents relating to the procurement process, selection and/or contract execution, and to have them audited by auditors appointed by the PPRA or any other appropriate authority appointed by Government of Kenya; and
- f) Pursuant to Section 62 of the above Act, requires Applicants/Tenderers to submit along with their Applications/Tenders/Proposals a "Self-Declaration Form" as included in the procurement document declaring that they and all parties involved in the procurement process and contract execution have not engaged/will not engage in any corrupt or fraudulent practices.

---

<sup>1</sup>For the avoidance of doubt, a party's ineligibility to be awarded a contract shall include, without limitation, (i) applying for pre-qualification, expressing interest in

A consultancy, and rendering, either directly or as a nominated sub-contractor, nominated consultant, nominated manufacturer or supplier, or nominated service provider, in respect of such contract, and (ii) entering into an addendum or amendment introducing a material modification to any existing contract.

**3** Inspections in this context usually are investigative (i.e., forensic) in nature. They involve fact-finding activities undertaken by the Investigating Authority or persons appointed by the Procuring Entity to address specific matters related to investigations/ audits, such as evaluating the veracity of an allegation of possible Fraud and Corruption, through the appropriate mechanisms. Such activity includes but is not limited to: accessing and examining a firm's or individual's financial records and information, and making copies thereof as relevant; accessing and examining any other documents, data and information (whether in hard copy or electronic format) deemed relevant for the investigation/ audit, and making copies thereof as relevant; interviewing staff and other relevant individuals; performing physical inspections and site visits; and obtaining third party verification of information.

**6. How to request a debriefing**

- a) **DEADLINE:** The deadline to request a debriefing expires at midnight on *[insert date]* (local time).
- b) You may request a debriefing in relation to the results of the evaluation of your Tender. If you decide to request a debriefing your written request must be made within three (5) Business Days of receipt of this Notification of Intention to Award.
- c) Provide the contract name, reference number, name of the Tenderer, contact details; and address the request for debriefing as follows:
  - i) Attention: *[insert full name of person, if applicable]*
  - ii) Title/position: *[insert title/position]*
  - iii) Agency: *[insert name of Employer]*
  - iv) Email address: *[insert email address]*
- d) If your request for a debriefing is received within the 3 Days deadline, we will provide the debriefing within five (3) Business Days of receipt of your request. If we are unable to provide the debriefing within this period, the Standstill Period shall be extended by five (3) Days after the date that the debriefing is provided. If this happens, we will notify you and confirm the date that the extended Standstill Period will end.
- e) The debriefing may be in writing, by phone, video conference call or in person. We shall promptly advise you in writing how the debriefing will take place and confirm the date and time.
- f) If the deadline to request a debriefing has expired, you may still request a debriefing. In this case, we will provide the debriefing as soon as practicable, and normally no later than fifteen (15) Days from the date of publication of the Contract Award Notice.

**7. How to make a complaint**

- a) **Period:** Procurement-related Complaint challenging the decision to award shall be submitted by midnight, *[insert date]* (local time).
- b) Provide the contract name, reference number, name of the Tenderer, contact details; and address the Procurement-related Complaint as follows:
  - i) Attention: *[insert full name of person, if applicable]*

- iii) Agency: \_\_\_\_\_[insert name of Employer]
- iv) Email address: \_\_\_\_\_[insert email address]
- c) At this point in the procurement process, you may submit a Procurement-related Complaint challenging the decision to award the contract. You do not need to have requested, or received, a debriefing before making this complaint. Your complaint must be submitted within the Standstill Period and received by us before the Standstill Period ends.
- d) Further information: For more information refer to the Public Procurement and Disposals Act 2015 and its Regulations available from the Website [www.ppra.go.ke](http://www.ppra.go.ke) or email [complaints@ppra.go.ke](mailto:complaints@ppra.go.ke). You should read these documents before preparing and submitting your complaint.
- e) There are four essential requirements:
  - i) You must be an 'interested party'. In this case, that means a Tenderer who submitted a Tender in this tendering process, and is the recipient of a Notification of Intention to Award.
  - ii) The complaint can only challenge the decision to award the contract.
  - iii) You must submit the complaint within the period stated above.
  - iv) You must include, in your complaint, all of the information required to support your complaint.

## **8. Standstill Period**

- i) DEADLINE: The Standstill Period is due to end at midnight on [insert date] (local time).
- ii) The Standstill Period lasts ten (14) Days after the date of transmission of this Notification of Intention to Award.
- iii) The Standstill Period may be extended as stated in paragraph Section 5 (d) above.

If you have any questions regarding this Notification please do not hesitate to contact us.

## PART II – PROCURING ENTITY'S REQUIREMENTS

## **SECTION V - ACTIVITY SCHEDULE**

### **SPECIFICATIONS FOR PROVISION OF DATA CENTRE COLOCATION AND CONNECTIVITY SERVICES FOR DISASTER RECOVERY**

#### **INTRODUCTION**

Kenya Ports Authority currently has an existing Disaster Recovery Site (DRS) facility with the necessary infrastructure being hosted by a Service Provider (SP) whose contract is about to expire. It is in this regard that the Authority wishes to do a fresh source of colocation services with new specifications and conditions.

KPA wants to colocate the DRS Infrastructure at a Managed Service Centre owned and maintained by a Service Provider within the Coast region. For this purpose, the Authority wants to engage a Service Provider for providing a Tier III Compliant [or higher] Data Centre infrastructure to co-locate Kenya Ports Authority ICT infrastructure for a duration of **5 years**.

KPA will at no point bear any additional cost for co-location and hosting data centre facility that Service Provider may have to incur on account of repair, upgrade, power, capacity enhancement and relocation of links etc. to support KPA's equipment unless KPA requests for any additional space or power requirements or brings in additional major equipment that would impact the infrastructure allocated to KPA by SP for the period of the contract.

The list of the facilities/requirements is listed in Table 1 and Table 2 - Technical requirement along with the requirements mentioned here under:

Service Provider should provide the information only in the formats given in the Tables indicating all the specifications.

All the product information like manuals, brochures, certifications and specification sheet relevant to the Data Centre Infrastructure should be submitted along with the technical offer. All duties, levies and other charges if applicable must be included in the financial bid.

#### **SCOPE**

The scope of Services requested includes:

- 1) Dedicated, secured rack space for KPA's compute, storage, core switching environment and ancillary equipment with additional reserved space for future growth (Initially, 5 x 42U 1200mm racks).
- 2) Maintenance and supply of all utility services including fully redundant power, generator, UPS, CRAC units and other environmental controls. (2N Minimum).
- 3) Appropriate fire suppression including VESDA based (or equivalent) pre alerts.
- 4) Physical security including 24/7 onsite staffing, CCTV, electronic door access controls including entry logging.
- 5) Exclusive, secured (locked) access to the allocated rack area.
- 6) Provide a Tier 3 plus colocation facility, built and operated to the highest international specifications, compliance with major industry standards including ISO27001, Uptime Institute Tier III or better. Offering carrier neutral choice in connectivity to colocate KPA's ICT rack.
- 7) Provision of connectivity between Primary Data Center (PDC) in Mombasa, Disaster Recovery Site (DRS) Colocation Site in Mombasa and Secondary Data Recover Site (SDRS) in Nairobi for both data replication and management. A dark fiber (point-to-point) link between Primary Data Center (located within Port of Mombasa) and colocation site to handle real time replication between sites.
- 8) Provision of equipment safe relocation and transport services from current location to the colocation site.

## DATA CENTER SPECIFICATIONS

The chosen vendor shall have a data centre that meets the following specifications.

**Table 1: Eligibility Criteria Compliance**

<b>No.</b>	<b>ELIGIBILITY CRITERIA FOR DC</b>	<b>COMPLIED (YES/NO) Reference: Doc  Section   Page   paragraph</b>	<b>SUPPORTING REQUIRED</b>
<b>1</b>	The proposed Data Centre Premise should be at least Tier III compliant.		Supporting document – publicly available information of the proposed data center along with an undertaking on a SP's letterhead, clearly stating that the Data Centre Premise is complying with Tier III [or higher] requirements.
<b>2</b>	Must be providing Data center colocation, hosting facility to at least 10 companies at any of their co-location, and hosting sites.		Credential letter from Companies / entities of having hosted their critical infrastructure at the SP's hosting facility.
<b>3</b>	Transfer/movement of equipment and Links to colocation site.		The bidder shall be required to provide support and facilitation in transfer of the equipment and provision of links and assist in the setup and installation of the equipment.
<b>4</b>	Of the above submitted credentials (in No. 2), there should be at least one credentials of company in the level of KPA segment who have co-located their data center or disaster recovery site with the service provider, at the Building in which the SP is offering co-location space.		Credential letter from the Company
<b>5</b>	ISO 27001 or BS 7799-3 Certified (Compulsory)		Certification from Governing body.
<b>6</b>	Must be accredited by ICT Authority of Kenya		Accreditation Certificate
<b>7</b>	Operating for a minimum period of 7 years.		Certificate of Incorporation

**Table 2: Technical Details and Specification Form**

NO.	TECHNICAL REQUIREMENT	<b>COMPLIANCE (YES / NO)</b> [BLANKS NOT PERMITTED; EITHER YES OR NO ONLY] <b>Reference:</b> Doc   Section   Page   paragraph	<b>DEVIATIONS, IF            ANY, IN CASE THE            COMPLIANCE IS            'NO'</b>
<b>FACILITY REQUIREMENTS</b>			
1	The data center should have a load bearing capacity of 1000 to 1300 Kg/rack		
2	The server hall height from raised floor to false ceiling should be at least 10ft		
3	Either raised flooring and/or overhead cabling and power systems must have sufficient space for proper airflow, after equipment and wiring is installed.		
4	SP must maintain a management information system/BMS used for monitoring the environmental - power, air-conditioning, humidity controls - of the building.		
5	The building & Server room area should be provided with Water Leak detection system		
6	In addition, SP should have maintenance staff that respond to system alarms on a 24/7 basis, according to thresholds and action plans specified by the bank		
7	The SP must maintain emergency response plans and procedures, including fire and building emergencies. The Respondent must inform KPA of any facility or procedural changes five days or more prior to such changes taking effect		

8	Proper tile cut-outs are required for cabling, routing and proper airflow		
9	There should be 100% availability on data center power		
10	Should maintain 100% compliance with ASHRAE standards for temperature and humidity at server input level		
11	Should provide 100% availability of network connectivity from the carrier demarcation to the customer cage		
12	The server halls should have advanced fire detection & suppression system through systems like VESDA & FM 200 /FE 227 respectively		
13	The doors and walls for the server room, communications room, and other critical areas should be fire rated for minimum 2 hours.		
14	The Staging area facility should be made available to KPA at no additional cost, as and when required for unpacking, PDI, installation, maintenance, troubleshooting etc. of the equipment. The staging area should be preferably be close to the hired/hosted space and have all facilities like, redundant power, LAN connectivity, telecom etc.,		

### HVAC REQUIREMENTS

15	The SP should ensure that HVAC controls are in place to provide appropriate airflow, temperature and humidity and such HVAC controls will be designed according to N+1 redundancy specifications.		
16	Redundant CRAC/HVAC units to facilitate High density cooling needs		
17	The temperature in the server hall should be maintained at 20 +/- 2 deg. Temperature Guidelines: Temperature as measured at approximately 48		

	inches above the raised floor surface on the front intake of each supported equipment cabinet.		
18	The humidity at the data center should be maintained at 50 % +/- 5% RH. B. Humidity Guidelines: Humidity as measured at approximately 48 inches above the raised floor surface on the front intake of each supported equipment cabinet.		
19	Computer room must be sealed and slightly pressurized to prevent dust contamination		
20	HVAC must function when commercial power is unavailable.		
21	Air flow and positioning of equipment must be capable of handling our requirements. This would include side-to-side (most network equipment), front-to-back (servers) and bottom-to-top airflow requirements.		
<b>BUILDING AND GROUNDS</b>			
22	The building housing the data center [co-located site] and the entire infrastructure therein is covered under comprehensive insurance including risk related to earthquake, floods, fire, lightening etc Please indicate the risks covered under the policy.		
23	Dedicated Storeroom (10 ft* 10ft) /storage space should be provided to KPA for storage of parts and supplies.		
24	Access by KPA personnel and designated vendors at any time, 24 hours a day and seven days a week, must be allowed.		
25	Parking for a minimum of one car. Although this need not be reserved, there must always be at least one spaces available for KPA personnel.		
26	Building access for the loading and unloading of equipment via loading dock		
<b>MONITORING, RECORDING AND SECURITY ACCESS</b>			
27	The building and computer room		

	area must remain locked and secured at all times.		
28	Security procedures must be documented.		
29	Access must be controlled and logged.		
30	Access card entry for the caged area		
31	The SP shall monitor and record all aspects of the data center facility 24/7. The recorded data shall be made available for 30 days. Post which the service provider shall archive such records (in form of a CD, tape, etc) and make the same available on KPA's request through the period of the contract.		
32	The service provider shall maintain the access logs for at least six months, post which the service provider shall archive such records (in form of a CD, tape, etc) and make the same available on bank's request through the period of the contract.		
33	Interior cameras must cover all areas of the production floor (between the racks) and all corridors, all egress/exit points for secured areas within the Data Center facility, all mechanical areas and all shipping and receiving areas.		
34	All the Building Management system (BMS) activities are to be controlled centrally in a room specifically to be used for BMS activities. The vendor should manage the BMS activities on a 24*7 basis or as the KPA decides.		
35	Biometric Access to the common entry to the Server room (Level 2 Area) should be available		
36	Upon request of KPA, recorded camera data of KPA's controlled areas shall be made available to authorized KPA personnel.		
37	A list of all personnel authorized to enter must be kept at all times.		
38	Security for the building to be		

	available 24*7 at the entry / exit levels.		
39	Intrusion alarms must be in place at all entry or exit points.		
<b>POWER REQUIREMENTS</b>			
40	There should be two sources of feeds from one or more local electric utilities/sub stations/Grid and shall be configured as required to support [KPA's IT infrastructure requirements. The Respondent shall provide redundant power distribution throughout the facility and each component within the system must be N+1 redundant		
41	SP must properly ground the hardware and racks to the existing data center infrastructure.		
42	On-site generator, able to handle the load for a period of at least 24 hours at full load, plus fuel contracts with multiple redundant providers with SLAs.		
43	The SP shall provide the Data Center facility with conditioned power delivered via redundant UPS systems. Power quality monitoring will be done by SP to protect KPA's equipment and prevent data loss by eliminating surges and other irregularities in power.		
44	All power cabling must be in segregated cable trays and separate path from the data cable trays		
45	Two separate power paths from the UPS to be provided to each of the racks in the server / network communication room.		
46	N + 1 redundant PDUs must feed bank's space. PDUs must have redundant, diverse feeds from separate UPS modules. The circuitry for electrical feeds should have no single point of failure from the grid to the cabinet. Power distribution systems shall be designed to meet electrical power draw necessary for KPA's environment.		

47	UPS should be configured in redundant mode as per the Tier 3 standard		
48	Each of the racks should have dual power from two different UPS Systems and shall have individual circuit breaker		
49	Cabling and power receptacles must be provided from site power distribution unit(s) (PDU) to our equipment.		
50	Availability of 3 phase, 4 wire power system		
51	The service provider must make provision to measure power consumption by the KPA (monthly/quarterly) or at any point of time as and when required.		
52	The infrastructure should be of Tier III complaint or higher as specified by The Uptime Institute for Data Centre.		
53	99.982% Uptime is required for the DC Environmental Infrastructure on each quarter.		
<b>NETWORK REQUIREMENTS</b>			
54	Telecom junction box, multiplexers of various service providers to be available in and around the building.		
55	The service provider will be responsible for LAN cabling between server rooms and seating area at the data center.		
56	The cabling between the MMR/telecom room to caging are should be structured; service provider should provide the support for the same throughout the contract period		
57	The SP should terminate Single mode Fiber /CAT 6A cables to our network rack in the caging area from MMR /telecom room.		
58	Bidder will highlight his current footprint		
59	Bidder must offer a complete ODF to ODF solution		
60	4 hours max outage within Mombasa metropolis. A Detailed SLA must be		

	attached		
61	Bidder must outline how he/she manages fault identification and his/her response to fiber cuts including an outline of his response times. Bidder must highlight the fault escalation procedure to be on fault detection		
62	<p>Detailed account of the test procedures and measurements adopted in validating the fiber pairs. The following test must be included.</p> <ul style="list-style-type: none"> <li>• Attenuation measurements</li> <li>• Dispersion measurement</li> <li>• Fiber splicing measurements</li> <li>• Optical time domain Reflectometer (OTDR) measurements</li> <li>• Insertion loss measurements</li> </ul>		
63	The connectivity for the institution shall be designed for ease of upgrades and additions		
64	The bidder shall provide Mean Time before Failure (MTBF) and Mean Time to Repair (MTTR) data for the offered similar system. Source(S) of both the MTBF and MTTR shall be indicated		

## CONNECTIVITY DELIVERABLES

There shall be point-to-point links between PDC and DRS, and between DRS and Secondary Data Recovery Site (SDRS). All these links shall have redundant links to ensure high availability of connection.

Primary Data Center (PDC) at Port of Mombasa to Disaster Recovery Site (DRS)

- a) Dark fiber for carrying fiber channel SAN availability traffic, Data replication will occur in a synchronous mode between the two sites (Minimum 10 Gb/s).
- b) The network should have diversity and protection needed to support real time data replication to meet the expected SLA requirements that SHALL be adhered to as follows:
  - The dark fibre should propagate multiple VLANS between the data centres to support L2 clustering and layer 2 network extension for different application used at KPA.
  - Circuit Availability (or Uptime):  $\geq 99.95\%$ .

- Provide NOC response times of one (1) hour of reporting and generate tracking ticket
- Round trip of less than 2 ms
- Provided connectivity services must be fully fiber, 100% end to end
- Daily monitoring and monthly reporting on the performance of the ring

c) 250 Mbps IP Link for Management traffic and failover traffic.

Additionally, the dark fibre links **MUST** pass through two different diversified routes/paths so that the ring provides EAST-WEST ring design for protection during fibre cuts or physical interruptions. Bidders need to provide technical support and configurations during installation and lighting up of the fibre network ring design. Figure 1 below shows the expected design of the solution between the PDC and DRS

Disaster Recovery Site (DRS) to Secondary Data Center (SDRS) in Inland Container Depot (ICD) Nairobi. Due to the distance limitation, the connectivity solution between Mombasa and Nairobi will run over the provider's MPLS core network using various encapsulation technologies.

- a) SAN availability traffic over FCIP
- b) L2 clustering traffic over VPLS protocol for transmission of applications clustering traffic.
- c) 250 Mbps IP Link for Management traffic and failover traffic.

The expected round trip (RT) in milliseconds to various regions is tabulated below

No.	Location	Expected RT (ms)
1.	PDR<>DRS	<2
2.	DRS<>SDRS	<30

## ADDITIONAL TECHNICAL DETAILS

The information provided herein is supplement to the specification requested above for detailing the items mentioned. The details provided should not in any manner contradict the compliance specified in Table 2. The following information is sought for clarity and for evaluation purpose and hence in no case the deviations in respect of Table 2 to be stated here. Service Provider's submission in Table 2 will be final and Service Provider's offer is bound by the same.

The KPA deems that the details provided herein are in agreement with the compliance provided in Table 2.

Please follow strictly the metrics / measures specified for comparative purpose

ORGANIZATION	PROVIDER RESPONSE
1. Provide an organizational chart and description of the relevant current organizational structure, including a description of key job functions and the number of employees assigned to each function with respect to IDC operations.	
2. Describe how the organization maintains sufficient depth and breadth of management and operational staff to be able to implement the services requested (including an explanation of how expertise is maintained regardless of employee resignation, retirement, promotions, etc.).	
3. Please identify the facility operations manager and include a description of experience and past positions.	
<b>CUSTOMER SERVICE</b>	
4. Describe the structure of the customer service operation.	
5. Will there be a customer service team solely dedicated to the customer account? If the answer to the previous question is no, state how many other accounts the team will support.	
6. Is customer service support team available 24/7as part of offering	
<b>SERVICE LEVELS</b>	
7. Attach a copy of your standard service-level agreements (SLAs).	
8. Do you specify 100% availability on data center power? Please explain	
9. Do you maintain 100% compliance with ASHRAE standards for temperature and humidity at server input level? Please explain.	
10. Do you guarantee 100% availability of network connectivity from the carrier demarcation to the customer cage? Please explain.	
11. What is your process for calculating availability?	
12. Who is responsible for calculating and maintaining information on service credits?	
13. Please describe your escalation process for SLA failures, including communications between provider and customer, as problem identification and troubleshooting begin.	
14. Please explain service-level policies in regards to scheduled and emergency maintenance.	

<b>COMPETITIVENESS</b>	
15. Provide a brief description of your experience in the past three years working with companies similar in size, and scope as KPA	
16. Please provide three client references with configuration needs similar to KPA	
17. What is your company's competitive advantage specific to this Tender?	
18. What are the most significant trends impacting the colocation industry over the next three years? How are you positioned to take advantage of or defend against these trends?	
<b>INSURANCE</b>	
19. Provide any information about insurance coverage you have in place. How will these insurance levels protect KPA and its assets located within your data center?	
20. What insurance is expected of the client/customer?	
21. Do you have any subcontractors or third parties providing services within the data center? Are these subcontractors covered fully under your insurance?	
22. Are there exclusions to liability that would release your insurer from claims? Please explain.	
<b>PRICING (Pricing detail to be provided in Commercial offer)</b>	
23. Please explain your standard pricing model (e.g. KShs. per sq ft, KShs. per kW all in, space plus power, etc.)	
24. Are you offering metered power? Explain how, including any uplift for cooling, etc.	
<b>PHYSICAL SITE LOCATION</b>	
25. Address of the proposed location in Mombasa	
26. In what other locations do you have data centers? Please indicate current versus planned.	
27. Please provide information on all hazards and past events related to flooding, flood plains, and lightning strike probabilities. Also, please note other relevant events, such as fire, outages or attacks.	
28. Detail whether the facility is wholly owned or leased; in the case of the latter, how long the lease has left to run upon targeted service commencement.	

29. Is the facility purpose-built from the ground up as a data center colocation facility? Or was it originally built for some other purpose and then converted? (If converted, what was the original purpose of the structure? When was the original structure built, and when was it converted?)	
30. Please detail the year of construction, type of construction, year of rehabilitation (if applicable), and any rehabilitation or expansion work within the past two years that was done to the premises that directly supports the proposed colocation space.	
31. Please detail the total capacity of this facility: total square footage, compute area square footage, number of customers housed (names, if you can provide), total power/energy capacity, etc.	
32. Does any one customer account for more than 20% of your currently occupied floor space?	
33. Is access to the facility available 24/365?	
34. Please detail the availability of usable office space.	
35. Please describe parking availability and any restrictions/safeguards related to vehicle presence.	
<b>INFRASTRUCTURE</b>	
36. What is the tier rating for the proposed facility? Is this as certified by the Uptime Institute, or a "tier equivalent"? If equivalent, please provide a summary description that supports the tier rating.	
37. What certifications has this facility been awarded, including but not limited to LEED, HIPAA, etc.?	
38. Is the facility based on raised floor or slab with overhead cabling? Depth of the Raised Flooring between Raised floor and actual floor ? Please specify False Floor Tile Size [ L X B]. Height of the False Ceiling [between False ceiling and roof of the floor]	
39. Please describe your loading dock facilities (delivery process and procedures).	
40. Is the proposed space on the ground floor, and if not, then what floor is being proposed?	
41. What are the minimum and maximum floor load ratings for the proposed facility in kg per square foot?	

42. Please provide details on any freight elevators, if applicable to the facility. (Include: minimum capacity, size, proximity to proposed cage space, etc.)	
43. What equipment staging space is available for use?	
44. Is the office space available to reserve/rent, or is it a first-come, first-serve basis? If there is availability to rent, please provide an example of how this is priced.	
<b>SPACE RESERVATION, GROWTH OPTIONS &amp; RIGHTS OF FIRST REFUSAL</b>	
45. How can contiguous space be reserved for future growth?	
46. Do you contractually offer the right of first refusal, such that KPA offered contiguous space surrounding the cage before it is offered to another party?	
47. Do you offer contract rightsizing, such that the original contract can be adjusted for power allocation (including decrements) at a fixed period after the service commencement date based on observed usage?	
48. Does this facility employ hot-aisle/cold-aisle containment or some other type of mechanism?	
49. Please describe how many infrastructure failures this facility has experienced within the past 36 months. (Please provide a description of the incident, the customer incident report and the corrective actions.)	
<b>POWER</b>	
50. What is the overall power available to this facility?	
51. Is power delivered by multiple providers? Multiple paths?	
52. Does the proposed facility have unique redundant substations?	
53. What provider(s) supplies the electrical equipment for this facility?	
54. Please provide a single-line block diagram of the proposed facility electrical distribution with the total amount of power available from each available source from the major utility located in the area.	

55.	Does the proposed facility support N+1 or 2N configuration on all critical power infrastructure? (Please provide a single-line block engineering diagram indicating all components of utility, UPS, backup generator and associated switch gear [inclusive of automatic switch gear].)	
56.	Can the UPS sustain the systems during a switch to the generators in the event of commercial power failure? Is it battery-based UPS, or flywheel? And in either scenario, what is the estimated time the system will keep load going to the floor? (Please provide a comprehensive plan or playbook detailing all aspects of emergency power operations at the proposed facility.)	
57.	What is the runtime for the UPS at 100% load, and at what percentage of capacity is the facility at today? (Please provide your recommended runtime on UPS, as well as the details surrounding the power capacity of the UPS; and the make/model number of the UPS and automatic failover switch gear.)	
58.	What rack densities is the facility capable of supporting (8kW, 10kW, etc.) without customization of space?	
59.	How does your facility meter and charge for power usage? (Please outline the level of detail that is provided on power usage.)	
60.	Is this facility able to provide as many as six power whips in any of the high-density racks?	
61.	Are the power whips overhead via ladder racks; under the floor; etc.? Please specify.	
62.	How many generators are on-site at the facility? (Please provide the exact MW capacity, as well as the model/manufacturer of all generators.)	
63.	What is the runtime for the generators at 100% load, and at what percentage of capacity is the facility at today?	
64.	Please describe any power interruptions in the past five years, and how these have been mitigated.	
<b>SECURITY</b>		
65.	Does the facility contain a comprehensive burglary intrusion system as part of the physical security plan for the overall premises? Please provide details.	
66.	Does the facility employ layered security zones?	

67. Does the facility employ multifactor identification and authorization?	
68. Are devices such as mantraps employed as security devices at this location?	
69. Does the facility employ a CCTV system and video retention policy? Please detail.	
70. Please describe the perimeter security for the building.	
71. Please provide a list of security certifications for the facility: PCI DSS 2.0 provider; SSAE 16 audited; ISO 27002.	
72. Describe the provisioning process for individuals requesting access to the data center.	
73. Describe the process for visitors accessing the data center, such as identification, badging and documentation.	
74. Do customers have the ability to review security logs? If so, please provide an example.	
75. What is the process for notifying customers of a possible or confirmed violation of security?	
76. Please detail third-party audits conducted of the proposed hosting facility. Include which audits and their schedules. Are customers able to review these audits? (If so, please attach a copy.)	
77. Describe how the UPS system ensures continuous operation of the security systems.	
78. Are responses and resolutions to security alarms recorded? If so, please provide an example.	
79. How many "swipes" or biometric challenges does it take to progress from outside the building to actually entering a customer's suite or cage?	
80. What type of biometric control systems are used, such as retina scanners, handprint/fingerprint scanners, etc.?	
<b>NETWORK/CONNECTIVITY</b>	
81. Is the proposed facility carrier diverse/neutral for network providers? (Please list all providers currently in use at the facility by type, i.e., dark fiber, lit fiber, basic Internet, etc.)	
82. Outline the capacity for additional telecom vendors to enter the facility.	
83. Describe the method of connecting to carriers not present in the facility.	
84. Describe the number of diverse fiber vault entries into the proposed facility.	

85.	If the facility is located within 30KM from Port of Mombasa is there dark fiber availability?	
86.	How is this facility connected to other data centers offered by the provider for purposes of disaster recovery	
<b>ENVIRONMENTAL CONTROLS</b>		
87.	Does the proposed facility support N+1 configuration on all cooling infrastructure? (Please provide a comprehensive plan or playbook detailing all aspects of emergency cooling operations at the proposed facility.)	
88.	What is the temperature range that the facility maintains for its customers as specified in the service-level agreement (SLA)?	
89.	What is the humidity range that the facility maintains for its customers as specified in the service-level agreement (SLA)?	
90.	What is the PUE-power usage effectiveness rating for the proposed space? Is this rating used in calculating metered power pricing? Explain any differences.	
91.	What plenum type is employed at the facility? How high is the ceiling?	
92.	How are issues at the facility related to airflow restrictions or cooling problems addressed?	
93.	Does this facility employ any green cooling mechanisms, such as outside air/free cooling?	
<b>FACILITY MONITORING</b>		
94.	Please describe any ability to provide notifications from your network operations center (NOC) to the customer, so as to advise of any issues impacting or pertaining to facility operations. This includes areas such as electrical power, cooling, physical access, and connectivity from MMRs, and issues that may impact the colocation space from national, state and/or local emergencies that may arise.	
95.	What data center infrastructure and environmental monitoring is done at this facility, and what access do customers have to that information?	
96.	Are monitoring logs available for review?

- w) "Notice of Dissatisfaction" means the notice given by either Party to the other indicating its dissatisfaction and intention to commence arbitration.

## **1.2 Applicable Law**

The Contract shall be interpreted in accordance with the laws of Kenya.

## **1.3 Language**

This Contract has been executed in the English language, which shall be the binding and controlling language for all matters relating to the meaning or interpretation of this Contract.

## **1.4 Notices**

Any notice, request, or consent made pursuant to this Contract shall be in writing and shall be deemed to have been made when delivered in person to an authorized representative of the Party to whom the communication is addressed, or when sent by registered mail, hand delivery, or email to such Party at the address **specified in the SCC.**

## **1.5 Location**

The Services shall be performed at such locations as are specified in Appendix A, in the specifications and, where the location of a particular task is not so specified, at such locations, whether in Kenya or elsewhere, as the Procuring Entity may approve.

## **1.6 Authorized Representatives**

Any action required or permitted to be taken, and any document required or permitted to be executed, under this Contract by the Procuring Entity or the Service Provider may be taken or executed by the officials **specified in the SCC.**

## **1.7 Inspection and Audit by the PPRA**

Pursuant to paragraph 2.2 e. of Attachment 1 to the General Conditions, the Service Provider shall permit and shall cause its sub contract or sub-consultants to permit, PPRA and/or persons appointed by PPRA to inspect the Site and/or the accounts and records relating to the procurement process, selection and/or contract execution, and to have such accounts and records audited by auditors appointed by PPRA. The Service Provider's and its Subcontractors' and sub-consultants' attention is drawn to Sub-Clause 3.10 which provides, inter alia, that acts intended to materially impede the exercise of PPRA's inspection and audit rights constitute a prohibited practice subject to contract termination (as well as to a determination of

ineligibility pursuant to PPRA's prevailing sanctions procedures).

## **1.8 Taxes and Duties**

The Service Provider, Subcontractors, and their Personnel shall pay such taxes, duties, fees, and other impositions as may be levied under the Applicable Law, the amount of which is deemed to have been included in the Contract Price.

## **2. Commencement, Completion, Modification, and Termination of Contract**

### **2.1 Effectiveness of Contract**

This Contract shall come into effect on the date the Contract is signed by both parties or such other later date as maybe **stated in the SCC.**

### **2.2 Commencement of Services**

#### **2.2.1 Program**

Before commencement of the Services, the Service Provider shall submit to the Procuring Entity for approval a Program showing the general methods, arrangements order and timing for all activities. The Services shall be carried out in accordance with the approved Program as updated.

#### **2.2.2 Starting Date**

The Service Provider shall start carrying out the Services thirty (30) days after the date the Contract becomes effective, or at such other date as may be **specified in the SCC.**

### **2.3 Intended Completion Date**

Unless terminated earlier pursuant to Sub-Clause 2.6, the Service Provider shall complete the activities by the Intended Completion Date, as is **specified in the SCC.** If the Service Provider does not complete the activities by the Intended Completion Date, it shall be liable to pay liquidated damage as per Sub-Clause 3.8. In this case, the Completion Date will be the date of completion of all activities.

### **2.4 Modification**

Modification of the terms and conditions of this Contract, including any modification of the scope of the Services or of the Contract Price, may only be made by written agreement between the Parties.

#### **2.4.1 Value Engineering**

The Service Provider may prepare, at its own cost, a value engineering proposal at any time during the performance of the contract. The value engineering proposal shall, at a minimum, include the following;

- a) The proposed change(s), and a description of the difference to the existing contract requirements;
- b) A full cost/benefit analysis of the proposed change(s) including a description and estimate of costs (including life cycle costs, if applicable) the Procuring Entity may incur in implementing the value engineering proposal; and
- c) A description of any effect(s) of the change on performance/functionality.

The Procuring Entity may accept the value engineering proposal if the proposal

demonstrates benefits that:

- a) accelerates the delivery period; or
- b) reduces the Contract Price or the lifecycle costs to the Procuring Entity; or
- c) improves the quality, efficiency, safety or sustainability of the services; or
- d) yields any other benefits to the Procuring Entity, without compromising the necessary functions of the Facilities.

If the value engineering proposal is approved by the Procuring Entity and results in:

- a) a reduction of the Contract Price; the amount to be paid to the Service Provider shall be the percentage specified in the **SCC** of the reduction in the Contract Price; or
- b) an increase in the Contract Price; but results in a reduction in lifecycle costs due to any benefit described into (a) above, the amount to be paid to the Service Provider shall be the full increase in the Contract Price.

## **2.5 Force Majeure**

### **2.5.1 Definition**

For the purposes of this Contract, "Force Majeure" means an event which is beyond the reasonable control of a Party and which makes a Party's performance of its obligations under the Contract impossible or so impractical as to be considered impossible under the circumstances.

### **2.5.2 No Breach of Contract**

The failure of a Party to fulfill any of its obligations under the contract shall not be considered to be a breach of, or default under, this Contract insofar as such inability arises from an event of Force Majeure, provided that the Party affected by such an event (a) has taken all reasonable precautions, due care and reasonable alternative measures in order to carry out the terms and conditions of this Contract, and (b) has informed the other Party as soon as possible about the occurrence of such an event.

### **2.5.3 Extension of Time**

Any period within which a Party shall, pursuant to this Contract, complete any action or task, shall be extended for a period equal to the time during which such Party was unable to perform such action as a result of Force Majeure.

### **2.5.4 Payments**

During the period of their inability to perform the Services as a result of an event of Force Majeure, the Service Provider shall be entitled to continue to be paid under the terms of this Contract, as well as to be reimbursed for additional costs reasonably and necessarily incurred by them during such period for the purposes of the Services and in reactivating the Service after the end of such period.

## **2.6 Termination**

### **2.6.1 By the Procuring Entity**

The Procuring Entity may terminate this Contract, by not less than thirty(30) days' written notice of termination to the Service Provider, to be given after the occurrence of any of the events specified in paragraphs(a)through (d) of this Sub-Clause 2.6.1:

- a) If the Service Provider does not remedy a failure in the performance of its obligations under the Contract, within thirty (30) days after being notified or within any further period as the Procuring Entity may have subsequently

- approved in writing;
- b) if the Service Provider become insolvent or bankrupt;
- c) if, as the result of Force Majeure, the Service Provider is unable to perform a material portion of the Services for a period of not less than sixty (60) days; or
- d) if the Service Provider, in the judgment of the Procuring Entity has engaged in Fraud and Corruption, as defined in paragraph 2.2a. of Attachment 1 to the GCC, in competing for or in executing the Contract

### **2.6.2 By the Service Provider**

The Service Provider may terminate this Contract, by not less than thirty (30) days' written notice to the Procuring Entity, such notice to be given after the occurrence of any of the events specified in paragraphs (a) and (b) of this Sub-Clause 2.6.2:

- a) If the Procuring Entity fails to pay any monies due to the Service Provider pursuant to this Contract and not subject to dispute pursuant to Clause 7 within forty-five (45) days after receiving written notice from the Service Provider that such payment is overdue; or
- b) if, as the result of Force Majeure, the Service Provider is unable to perform a material portion of the Services for a period of not less than sixty (60) days.

### **2.6.3 Payment up on Termination**

Upon termination of this Contract pursuant to Sub-Clauses 2.6.1 or 2.6.2, the Procuring Entity shall make the following payments to the Service Provider:

- a) remuneration pursuant to Clause 6 for Services satisfactorily performed prior to the effective date of termination;
- b) except in the case of termination pursuant to paragraphs (a), (b), (d) of Sub-Clause 2.6.1, reimbursement of any reasonable cost incident to the prompt and orderly termination of the Contract, including the cost of the return travel of the Personnel.

## **3. Obligations of the Service Provider**

### **3.1 General**

The Service Provider shall perform the Services in accordance with the Specifications and the Activity Schedule, and carry out its obligations with all due diligence, efficiency, and economy, in accordance with generally accepted professional techniques and practices, and shall observe sound management practices, and employ appropriate advanced technology and safe methods. The Service Provider shall always act, in respect of any matter relating to this Contractor to the Services, as faithful adviser to the Procuring Entity, and shall at all times support and safeguard the Procuring Entity's legitimate interests in any dealings with Subcontractors or third parties.

### **3.2 Conflict of Interests**

#### **3.2.1 Service Provider Not to Benefit from Commissions and Discounts.**

The remuneration of the Service Provider pursuant to Clause 6 shall constitute the Service Provider's sole remuneration in connection with this Contractor the Services, and the Service Provider shall not accept for their own benefit any trade commission, discount, or similar payment in connection with activities pursuant to this Contractor to the Services or in the discharge of their obligations under the Contract, and the Service Provider shall use their best efforts to ensure that the Personnel, any

Subcontractors, and agents of either of them similarly shall not receive any such additional remuneration.

### **3.2.2 Service Provider and Affiliates Not to be Otherwise Interested in Project**

The Service Provider agree that, during the term of this Contract and after its termination, the Service Provider and its affiliates, as well as any Subcontractor and any of its affiliates, shall be disqualified from providing goods, works, or Services (other than the Services and any continuation thereof) for any project resulting from or closely related to the Services.

### **3.2.3 Prohibition of Conflicting Activities**

Neither the Service Provider nor its Subcontractors nor the Personnel shall engage, either directly or indirectly, in any of the following activities:

- a) During the term of this Contract, any business or professional activities in Kenya which would conflict with the activities assigned to them under this Contract;
- b) during the term of this Contract, neither the Service Provider nor their Subcontractors shall hire public employees' inactive duty or on any type of leave, to perform any activity under this Contract;
- c) After the termination of this Contract, such other activities as may be **specified in the SCC.**

### **3.3 Confidentiality**

The Service Provider, its Subcontractors, and the Personnel of either of them shall not, either during the term or within two (2) years after the expiration of this Contract, disclose any proprietary or confidential information relating to the Project, the Services, this Contract, or the Procuring Entity's business or operations without the prior written consent of the Procuring Entity.

- 3.4 The Service Provider** (a) shall take out and maintain, and shall cause any Subcontractors to take out and maintain, at its (or the Subcontractors', as the case may be) own cost but on terms and conditions approved by the Procuring Entity, insurance against the risks, and for the coverage, as shall be **specified in the SCC**; and (b) at the Procuring Entity's request, shall provide evidence to the Procuring Entity showing that such insurance has been taken out and maintained and that the current premiums have been paid.

### **3.5 Service Provider's Actions Requiring Procuring Entity's Prior Approval**

The Service Provider shall obtain the Procuring Entity's prior approval in writing before taking any of the following actions:

- a) Entering into a subcontract for the performance of any part of the Services,
- b) appointing such members of the Personnel not listed by name in Appendix C ("Key Personnel and Subcontractors"),
- c) changing the Program of activities; and
- d) Any other action that may be **specified in the SCC.**

### **3.6 Reporting Obligations**

The Service Provider shall submit to the Procuring Entity the reports and documents specified in Appendix B in the form, in the numbers, and within the periods set forth in the said Appendix.

### **3.7 Documents Prepared by the Service Provider to Be the Property of the**

## **Procuring Entity**

All plans, drawings, specifications, designs, reports, and other documents and software submitted by the Service Provider in accordance with Sub-Clause 3.6 shall become and remain the property of the Procuring Entity, and the Service Provider shall, not later than upon termination or expiration of this Contract, deliver all such documents and software to the Procuring Entity, together with a detailed inventory thereof. The Service Provider may retain a copy of such documents and software. Restrictions about the future use of these documents, if any, shall be **specified in the SCC**.

### **3.8 Liquidated Damages**

#### **3.8.1 Payments of Liquidated Damages**

The Service Provider shall pay liquidated damages to the Procuring Entity at the rate per day **stated in the SCC** for each day that the Completion Date is later than the Intended Completion Date. The total amount of liquidated damages shall not exceed the amount **defined in the SCC**. The Procuring Entity may deduct liquidated damages from payments due to the Service Provider. Payment of liquidated damages shall not affect the Service Provider's liabilities.

#### **3.8.2 Correction for Over-payment**

If the Intended Completion Date is extended after liquidated damages have been paid, the Procuring Entity shall correct any overpayment of liquidated damages by the Service Provider by adjusting the next payment certificate. The Service Provider shall be paid interest on the overpayment, calculated from the date of payment to the date of repayment, at the rates specified in Sub-Clause 6.5.

#### **3.8.3 Lack of performance penalty**

If the Service Provider has not corrected a Defect within the time specified in the Procuring Entity's notice, a penalty for Lack of performance will be paid by the Service Provider. The amount to be paid will be calculated as a percentage of the cost of having the Defect corrected, assessed as described in Sub-Clause 7.2 and **specified in the SCC**.

### **3.9 Performance Security**

The Service Provider shall provide Performance Security to the Procuring Entity no later than the date specified in the Form of acceptance. The Performance Security shall be issued in an amount and form and by a bank or surety acceptable to the Procuring Entity, and denominated in the types and proportions of the currencies in which the Contract Price is payable. The performance Security shall be valid until a date 28 day from the Completion Date of the Contract in case of a bank guarantee, and until one year from the Completion Date of the Contract in the case of a Performance Bond.

#### **3.10 Fraud and Corruption**

The Procuring Entity requires compliance with the Government's Anti-Corruption laws and its prevailing sanctions. The Procuring Entity requires the Service Provider to disclose any commissions or fees that may have been paid or are to be paid to agents or any other party with respect to the tendering process or execution of the Contract. The information disclosed must include at least the name and address of the agent or other party, the amount and currency, and the purpose of the commission, gratuity or fee.

#### **3.11 Sustainable Procurement**

The Service Provider shall conform to the sustainable procurement contractual provisions, if and as specified in the **SCC**.

#### **4. Service Provider's Personnel**

##### **4.1 Description of Personnel**

The titles, agreed job descriptions, minimum qualifications, and estimated periods of engagement in the carrying out of the Services of the Service Provider's Key Personnel are described in Appendix C. The Key Personnel and Subcontractors listed by title as well as by name in Appendix C are hereby approved by the Procuring Entity.

##### **4.2 Removal and/or Replacement of Personnel**

- a) Except as the Procuring Entity may otherwise agree, no changes shall be made in the Key Personnel. If, for any reason beyond the reasonable control of the Service Provider, it becomes necessary to replace any of the Key Personnel, the Service Provider shall provide as a replacement a person of equivalent or better qualifications.
- b) If the Procuring Entity finds that any of the Personnel have (i) committed serious misconduct or have been charged with having committed a criminal action, or (ii) have reasonable cause to be dissatisfied with the performance of any of the Personnel, then the Service Provider shall, at the Procuring Entity's written request specifying the grounds thereof, provide as a replacement a person with qualifications and experience acceptable to the Procuring Entity.
- c) The Service Provider shall have no claim for additional costs arising out of or incidental to any removal and/or replacement of Personnel.

#### **5. Obligations of the Procuring Entity**

##### **5.1 Assistance and Exemptions**

The Procuring Entity shall use its best efforts to ensure that the Government shall provide the Service Provider such assistance and exemptions as **specified in the SCC**.

##### **5.2 Change in the Applicable Law**

If, after the date of this Contract, there is any change in the Applicable Law with respect to taxes and duties which increases or decreases the cost of the Services rendered by the Service Provider, then the remuneration and reimbursable expenses otherwise payable to the Service Provider under this Contract shall be increased or decreased accordingly by agreement between the Parties, and corresponding adjustments shall be made to the amounts referred to in Sub-Clauses 6.2(a) or (b), as the case may be.

##### **5.3 Services and Facilities**

The Procuring Entity shall make available to the Service Provider the Services and Facilities listed under Appendix F.

#### **6. Payments to the Service Provider**

##### **6.1 Lump-Sum Remuneration**

The Service Provider's remuneration shall not exceed the Contract Price and shall be a fixed lump-sum including all Subcontractors' costs, and all other costs incurred by

the Service Provider in carrying out the Services described in Appendix A. Except as provided in Sub-Clause 5.2, the Contract Price may only be increased above the amounts stated in Sub-Clause 6.2 if the Parties have agreed to additional payments in accordance with Sub-Clauses 2.4 and 6.3.

## 6.2 Contract Price

- a) The price payable is **set forth in the SCC**.
- b) Price may be payable in foreign currency, if so allowed in this document.

## 6.3 Payment for Additional Services, and Performance Incentive Compensation

6.3.1 For the purpose of determining the remuneration due for additional Services as may be agreed under Sub-Clause 2.4, a breakdown of the lump-sum price is provided in Appendices D and E.

6.3.2 **If the SCC so specify**, the service provider shall be paid performance incentive compensation asset out in the Performance Incentive Compensation appendix.

6.3.3 **Where** the contract price is different from the corrected tender price, in order to ensure the contractor is not paid less or more relative to the contract price (*which would be the tender price*), payment valuation certificates and variation orders on omissions and additions valued based on rates in the schedule of rates in the Tender, will be adjusted by a plus or minus percentage. The percentage already worked out during tender evaluation is worked out as follows:  $(\text{corrected tender price} - \text{tender price}) / \text{tender price} \times 100$ .

## 6.4 Terms and Conditions of Payment

Payments will be made to the Service Provider according to the payment schedule **stated in the SCC**. **Unless otherwise stated in the SCC**, the advance payment (Advance for Mobilization, Materials and Supplies) shall be made against the provision by the Service Provider of a bank guarantee for the same amount, and shall be valid for the period **stated in the SCC**. Any other payment shall be made after the conditions **listed in the SCC** for such payment have been met, and the Service Provider have submitted an invoice to the Procuring Entity specifying the amount due.

## 6.5 Interest on Delayed Payments

If the Procuring Entity has delayed payments beyond thirty (30) days after the due date stated in the **SCC**, interest shall be paid to the Service Provider for each day of delay at the rate stated in **the SCC**.

## 6.6 Price Adjustment

6.6.1 Prices shall be adjusted for fluctuations in the cost of inputs only if **provided for in the SCC**. If so provided, the amounts certified in each payment certificate, after deducting for Advance Payment, shall be adjusted by applying the respective price adjustment factor or to the payment amounts due in each currency. A separate formula of the type indicated below applies to each Contract currency:

$$P_c = A_c + B_c L_{mc} / L_{oc} + C_c I_{mc} / I_{oc}$$

Where:

$P_c$  is the adjustment factor for the portion of the Contract Price payable in a specific currency "c".

$A_c$ ,  $B_c$  and  $C_c$  are coefficients specified in the **SCC**, representing:  $A_c$  the non-

adjustable portion;  $B_c$  the adjustable portion relative to labor costs and  $C_c$  the adjustable portion for other inputs, of the Contract Price payable in that specific currency "c"; and

$L_{mc}$  is the index prevailing at the first day of the month of the corresponding invoiced ate and  $L_{oc}$  is the index prevailing 28 days before Tender opening for labor; both in the specific currency "c".

$I_{mc}$  is the index prevailing at the first day of the month of the corresponding invoice date and  $I_{oc}$  is the index prevailing 28 days before Tender opening for other inputs payable; both in the specific currency "c".

If a price adjustment factor is applied to payments made in a currency other than the currency of the source of the index for a particular indexed input, a correction factor  $Z_o/Z_n$  will be applied to the respective component factor of  $p_n$  for the formula of the relevant currency.  $Z_o$  is the number of units of Kenya Shillings of the index, equivalent to one unit of the currency payment on the date of the base index, and  $Z_n$  is the corresponding number of such currency units on the date of the current index.

- 6.6.2 If the value of the index is changed after it has been used in a calculation, the calculation shall be corrected and an adjustment made in the next payment certificate. The index value shall be deemed to take account to fall changes in cost due to fluctuations in costs.

## 6.7 Day works

- 6.7.1 If applicable, the Day work rates in the Service Provider's Tender shall be used for small additional amounts of Services only when the Procuring Entity has given written instructions in advance for additional services to be paid in that way.

- 6.7.2 All work to be paid for as Day works shall be recorded by the Service Provider on forms approved by the Procuring Entity. Each completed form shall be verified and signed by the Procuring Entity representative as indicated in Sub-Clause 1.6 within two days of the Services being performed.

- 6.7.3 The Service Provider shall be paid for Day works subject to obtaining signed Day works forms as indicated in Sub-Clause 6.7.2

## 7. Quality Control

### 7.1 Identifying Defects

The principle and modalities of Inspection of the Services by the Procuring Entity shall be as **indicated in the SCC**. The Procuring Entity shall check the Service Provider's performance and notify him of any Defects that are found. Such checking shall not affect the Service Provider's responsibilities. The Procuring Entity may instruct the Service Provider to search for a Defect and to uncover and test any service that the Procuring Entity considers may have a Defect. Defect Liability Period is as **defined in the SCC**.

### 7.2 Correction of Defects, and Lack of Performance Penalty

- The Procuring Entity shall give notice to the Service Provider of any Defects before the end of the Contract. The Defects liability period shall be extended for as long as Defects remain to be corrected.
- Every time notice a Defect is given, the Service Provider shall correct the notified Defect within the length of time specified by the Procuring Entity's notice.
- If the Service Provider has not corrected a Defect within the time specified in

the Procuring Entity's notice, the Procuring Entity will assess the cost of having the Defect corrected, the Service Provider will pay this amount and a Penalty for Lack of Performance calculated as described in Sub-Clause 3.8.

## **8. Settlement of Disputes**

### **8.1 Contractor's Claims**

- 8.1.1 If the Contractor considers himself to be entitled to any extension of the Time for Completion and/or any additional payment, under any Clause of these Conditions or otherwise in connection with the Contract, the Contractor shall give notice to the Project Manager, describing the event or circumstance giving rise to the claim. The notice shall be given as soon as practicable, and not later than 28 days after the Contractor became aware, or should have become aware, of the event or circumstance.
- 8.1.2 If the Contractor fails to give notice of a claim within such period of 28 days, the Time for Completion shall not be extended, the Contractor shall not be entitled to additional payment, and the Procuring Entity shall be discharged from all liability in connection with the claim. Otherwise, the following provisions of this Sub-Clauses shall apply.
- 8.1.3 The Contractor shall also submit any other notices which are required by the Contract, and supporting particulars for the claim, all s relevant to such event or circumstance.
- 8.1.4 The Contractor shall keep such contemporary records as may be necessary to substantiate any claim, either on the Site or at another location acceptable to the Project Manager. Without admitting the Procuring Entity's liability, the Project Manager may, after receiving any notice under this Sub-Clause, monitor the record-keeping and /or instruct the Contractor to keep further contemporary records. The Contractor shall permit the Project Manager to inspect all these records, and shall (if instructed) submit copies to the Project Manager.
- 8.1.5 Within 42 days after the Contractor became aware (or should have become aware) of the event or circumstance giving rise to the claim, or within such other period as may be proposed by the Contractor and approved by the Project Manager, the Contractor shall send to the Project Manager a fully detailed claim which includes full supporting particulars of the basis of the claim and of the extension of time and /or additional payment claimed. If the event or circumstance giving rise to the claim has a continuing effect:
- 8.1.6 This fully detailed claim shall be considered as interim;
- a) The Contractor shall send further interim claims at monthly intervals, giving the accumulated delay and /or amount claimed, and such further particulars as the Project Manager may reasonably require; and The Contractor shall send a final claim within 28 days after the end of the effects resulting from the event or circumstance, or within such other period as may be proposed by the Contractor and approved by the Project Manager.
- 8.1.7 Within 42 days after receiving a claim or any further particulars supporting a previous claim, or within such other period as may be proposed by the Project Manager and approved by the Contractor, the Project Manager shall respond with approval, or with disapproval and detailed comments. He may also request any necessary further particulars, but shall nevertheless give his response on the principles of the claim within the above defined time period.
- 8.1.8 Within the above defined period of 42 days, the Project Manager shall proceed in accordance with Sub-Clause

3.5[Determinations] to agree or determine (i) the extension (if any) of the Time for Completion (before or after its expiry) in accordance with Sub-Clause 8.4 [Extension of Time for Completion], and/or (ii) the additional payment (if any) to which the Contractor is entitled under the Contract.

8.1.9 Each Payment Certificate shall include such additional payment for any claim as has been reasonably substantiated as due under the relevant provision of the Contract. Unless and until the particulars supplied are sufficient to substantiate the whole of the claim, the Contractor shall only be entitled to payment for such part of the claim as he has been able to substantiate.

8.1.10 If the Project Manager does not respond within the time framed in this Clause, either Party may consider that the claim is rejected by the Project Manager and any of the Parties may refer to Arbitration in accordance with Sub-Clause 8.2 [Matters that may be referred to arbitration].

8.1.11 The requirements of this Sub-Clause are in addition to those of any other Sub-Clause which may apply to a claim. If the Contractor fails to comply with this or another Sub-Clause in relation to any claim, any extension of time and/or additional payment shall take account of the extent (if any) to which the failure has prevented or prejudiced proper investigation of the claim, unless the claim is excluded under the second paragraph of this Sub-Clause.

## **8.2 Matters that may be referred to arbitration**

8.2.1 Notwithstanding anything stated herein the following matters may be referred to arbitration before the practical completion of the Services or abandonment of the Services or termination of the Contract by either party:

- a) The appointment of a replacement Project Manager upon the said person ceasing to act.
- b) Whether or not the issue of an instruction by the Project Manager is empowered by these Conditions
- c) Whether or not a certificate has been improperly withheld or is not in accordance with these Conditions.
- d) Any dispute arising in respect of war risks or war damage.
- e) All other matters shall only be referred to arbitration after the completion or alleged completion of the Services or termination or alleged termination of the Contract, unless the Procuring Entity and the Contractor agree otherwise in writing.

## **8.3 Amicable Settlement**

8.3.1 Where a Notice of Dissatisfaction has been given, both Parties shall attempt to settle the dispute amicably before the commencement of arbitration. However, unless both Parties agree otherwise, the Party giving a Notice of Dissatisfaction in accordance with Sub-Clause 8.1 above should move to commence arbitration after the fifty-sixth day from the day on which a Notice of Dissatisfaction was given, even if no attempt at an amicable settlement has been made.

## **8.4 Arbitration**

8.4.1 Any claim or dispute between the Parties arising out of or in connection with the Contract not settled amicably in accordance with Sub-Clause 8.3 shall be finally settled by arbitration. Arbitration shall be conducted in accordance with the Arbitration Laws of Kenya.

8.4.2 The arbitrators shall have full power to open up, review and revise any certificate, determination, instruction, opinion or valuation of the Project

Manager, relevant to the dispute. Nothing shall disqualify representatives of the Parties and the Project Manager from being called as a witness and giving evidence before the arbitrators on any matter whatsoever relevant to the dispute.

8.4.3 Neither Party shall be limited in the proceedings before the arbitrators to the evidence, or to the reasons for dissatisfaction given in its Notice of Dissatisfaction.

8.4.4 Arbitration may be commenced prior to or after completion of the services. The obligations of the Parties, and the Project Manager shall not be altered by reason of any arbitration being conducted during the progress of the services.

8.4.5 The terms of the remuneration of each or all the members of Arbitration shall be mutually agreed upon by the Parties when agreeing the terms of appointment. Each Party shall be responsible for paying one-half of this remuneration.

## **8.5 Arbitration with proceedings**

8.5.1 In case of any claim or dispute, such claim or dispute shall be notified in writing by either party to the other with a request to submit to arbitration and to concur in the appointment of an Arbitrator within thirty days of the notice. The dispute shall be referred to the arbitration and final decision of a person to be agreed between the parties. Failing agreement to concur in the appointment of an Arbitrator, the Arbitrator shall be appointed, on the request of the applying party, by the Chairman or Vice Chairman of any of the following professional institutions;

- a) Law Society of Kenya or
- b) Chartered Institute of Arbitrators (Kenya Branch)

8.5.2 The institution written to first by the aggrieved party shall take precedence over all other institutions.

8.5.3 The arbitration maybe on the construction of this Contractor on any matter or thing of what so ever nature arising there under or in connection there with, including any matter or thing left by this Contract to the discretion of the Project Manager, or the withholding by the Project Manager of any certificate to which the Contractor may claim to been titled to or the measurement and valuation referred to in clause 23.0 of these conditions, or the rights and liabilities of the parties subsequent to the termination of Contract.

8.5.4 Provided that no arbitration proceedings shall be commenced on any claim or dispute where notice of a claim or dispute has not been given by the applying party within ninety days of the occurrence or discovery of the matter or issue giving rise to the dispute.

8.5.5 Notwithstanding the issue of a notice as stated above, the arbitration of such a claim or dispute shall not commence unless an attempt has in the first instance been made by the parties to settle such claim or dispute amicably with or without the assistance of third parties. Proof of such attempt shall be required.

8.5.6 The Arbitrator shall, without prejudice to the generality of his powers, have powers to direct such measurements, computations, tests or valuations as may in his opinion be desirable in order to determine the rights of the parties and assess and award any sums which ought to have been the subject of or included in any certificate.

8.5.7 The Arbitrator shall, without prejudice to the generality of his powers, have powers to open up, review and revise any certificate, opinion, decision,

requirement or notice and to determine all matters in dispute which shall be submitted to him in the same manner as if no such certificate, opinion, decision requirement or notice had been given.

8.5.8 The award of such Arbitrator shall be final and binding upon the parties.

## **8.6 Failure to Comply with Arbitrator's Decision**

8.6.1 In the event that a Party fails to comply with a final and binding Arbitrator's decision, then the other Party may, without prejudice to any other rights it may have, refer the matter to a competent court of law.

## **9. The Adjudicator**

9.1 Should the Adjudicator resign or die, or should the Procuring Entity and the Service Provider agree that the Adjudicator is not functioning in accordance with the provisions of the Contract; a new Adjudicator will be jointly appointed by the Procuring Entity and the Service Provider. In case of disagreement between the Procuring Entity and the Service Provider, within 30 days, the Adjudicator shall be designated by the Appointing Authority **designated in the SCC** at the request of either party, within 14 days of receipt of such request.

9.2 The Adjudicator shall be paid by the hour at the rate **specified in the TDS and SCC**, together with reimbursable expenses of the type's **specified in the SCC**, and the cost shall be divided equally between the Procuring Entity and the Service Provider, whatever decision is reached by the Adjudicator. Either party may refer a decision of the Adjudicator to an Arbitrator within 28 days of the Adjudicator's written decision. If neither party refers the dispute to arbitration within the above 28 days, the Adjudicator's decision will be final and binding.
